RE: Canceling VOIP Service Authority or Registration

Dear Ms. Dippell:

On May 1, 2023 Cogent Communications Holdings, Inc., through its wholly-owned subsidiary Cogent Infrastructure, Inc., closed an acquisition of Sprint Communications Company, LP ("SCCLP") from Sprint Communications LLC, an indirect wholly-owned subsidiary of T-Mobile US, Inc. (the Seller"). The Cogent group of companies and SCCLP, collectively the "Companies", will provide interstate IP connectivity services. Through a Transition Services Agreement between the Companies and Seller, employees of Seller continue to provide services to Companies through a transition period.

Please be advised of the following:

- This Request concerns Submission No. DA-2012-0411
- SCCLP has completed all 2023 annual reports
- The certificate was registered on 7/9/2012
- The effective date of VOIP registration was 6/11/2021
- Effective 9/30/2023, there were no customers on the service

If you have any questions regarding the above, please contact me at (202) 295-4398.

Sincerely,

Steven McLernon
