In the Matter of Evergy Missouri West, Inc. )  
d/b/a Evergy Missouri West's Request for ) File No. ER-2024-0189  
Authority to Implement a General Rate ) Tariff No. JE-2024-0110  
Increase for Electric Service )

## ORDER OF CORRECTION

Issue Date: May 30, 2024

Effective Date: May 30, 2024

The Commission issued its *Order Setting Local Public Hearings* on May 30, 2024. That order inadvertently failed to include in the ordered customer notice, the phone number to call to participate in the WebEx public hearings. Therefore, this order will correct that ordered customer notice.

### THE COMMISSION ORDERS THAT:

1. Ordered paragraph 3 of the *Order Setting Local Public Hearings* is corrected to include the phone number for participants to call for the WebEx comment hearings as set out below.
2. No later than ten days before the local public hearings, Evergy Missouri West shall provide notice of the hearings to each of its customers. Such notice shall use the following language:

Evergy Missouri West ("Evergy") has filed a rate increase request with the Missouri Public Service Commission ("PSC"). The requested increase would total approximately \$109 million for an approximate increase of 13.99% in the territory served as Evergy Missouri West. This includes an increase in fuel costs of \$4.7 million.

For the average residential customer, the proposed increase would be approximately 17% or \$17.52 per month. Of this increase, approximately 0.57% is for changes in fuel costs.

Evergy has also asked the PSC to continue the Fuel Adjustment Clause (“FAC”). The FAC allows Evergy to adjust customers’ bills two times per year based on the varying cost of fuel and power purchased in the current volatile market. The FAC adjustment is applied to customers’ bills based on the customer’s usage.

Any increase or decrease in fuel costs is reflected in the FAC. This means the customer bill is based on more current fuel costs.

**Local Public Hearing Information**

The PSC is holding public hearings where customers can ask questions and testify about Evergy’s rate request. Customers are encouraged to participate in the hearings.

Each hearing is divided into two parts. In the first part, you may ask questions of Evergy, the Missouri Office of the Public Counsel (“OPC”), and the PSC Staff. The PSC Commissioners and the regulatory law judge will not attend the informal question and answer session. Your questions and the answers provided will not be part of the evidence the PSC reviews. In the second part, PSC Commissioners and a regulatory law judge will be present, and you may testify as part of the official record of the case.

Public hearings will be held in person and virtually according to the following schedule:
