MOTION FOR EXTENSION OF TIME

COMES NOW Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri") and for its *Motion for Extension of Time* respectfully states the following to the Missouri Public Service Commission ("Commission"):

1. On May 28, 2024, the Commission issued its *Order Extending Deadline For Objections*, allowing until June 3, 2024, to file any objections to Complainants' late filed exhibits.
2. The Complainants' late filed exhibits were not all filed in EFIS for viewing by Ameren Missouri until the end of the day on May 29, 2004.
3. There are over 100 late filed exhibits. Ameren Missouri requests a short extension of time until June 5, 2024, to file its response to the exhibits due to the press of other business and the number of exhibits that have had to be reviewed.
4. Ameren Missouri has inquired of Staff and Complainants regarding its request for an extension of time. Staff has stated it has no objection to the motion for extension of time. As of the time of this filing, the undersigned has not heard back from Complainants as to their position on the motion for extension of time.

WHEREFORE, Ameren Missouri submits this motion and requests the Commission extend the time for the filing of objections until June 5, 2024.

Respectfully submitted,

/s/ Jennifer L. Hernandez
