**Re: West IP Communications, Inc. File No. DA-2012-0412  
Relinquishment of Registration to Provide Interconnected Voice over  
Internet Protocol Service**

Dear Ms. Dippell:

On behalf of our client, West IP Communications, Inc. ("West" or "Company"), please accept this letter as the Company's formal request to relinquish its authority to provide Voice over Internet Protocol Services ("VoIP") in the state of Missouri granted in File No. DA-2012-0412.

West ceased operations of all services in October of 2023. The Company only provided VoIP services to business customers in the state. All customers were notified of their decision to cease operations beginning in June 2023 and transitioned services to other communications providers operating in the state.

Please do not hesitate to call me at 318-429-7552 should you have any questions or need additional information.

Very Truly Yours,
