Case Number(s): EC-2024-0327 GC-2024-0327

To: Judges, Lawyers, Court Clerks, and all fictional corporate/non-corporal entities:

Special Appearance: "Let the record show that a copy of the 'person' and 'birth certificate' is attached and has been given to the court. This birth certificate is proof that I am the beneficiary and not the trustee of the strawman/created trust account. The state is the trustee. Everything including taxes is already pre-paid by way of birth certificate bond. See... **TITLE 18>PART1>CHAPTER 63>§ 1342 Using fictitious names and addresses. TITLE 18> PART 1> CHAPTER 13>§242 DEPRIVATION OF RIGHTS UNDER COLOR OF LAW.** My name is spelled in all capital letters is a corporation: A Cestui Que Vie Trust. -Cannon Law. "The People" do not include you and me since our names are all Capital Letter Fictional legal names. - Barron v. Mayor of City Council of Baltimore, 32 U.S. 243. See... There are numbers located on the front and back of the birth certificate document. A created estate through the Cestui Que Vie Trust Act of 1666 as verified by the fiction entity document known as the "Certificate of Birth". A violation of the **Universal Declaration of Human Rights (UDHR)** and a crime under the Geneva Protocols of 1949.

Special appearance, allows the defendant to dispute the personal jurisdiction of the court over the defendant to as to avoid default, while the defendant seeks the dismissal of the action. Thus, I challenge the courts jurisdiction over me. See... Affidavit of Truth; the case needs Remedy, by stating I need an attorney and I do not. See attachments signed with **ALL RIGHTS RESERVED WITHOUT PREJUDICE UCC 1-308.**

(NOTE: A 'person' is a legal fiction. I am a living soul. A living soul is not a 'person'). ("Special Appearance" means that I am not giving the court jurisdiction over me). This is proof and prove that I am the beneficiary of my trust estate. Only the beneficiary (I) can be the plaintiff. And only the trustee (the state) can be the defendant.

My Affidavit of Truth of Living Status and Standing is on record. I, shamera-e:williams, sui juris have already reserved all my natural rights with all these corporations including the 16th Judicial Court. "I reserved all of my rights per UCC 1-308." **I DO NOT CONSENT/NO CONTRACT/NON-ASSUMPSIT.** See pg. 1, 2, 3, 4 and 5 of Affidavit of Truth, Notice of Current Living Standing of the Live Born Woman: shamera-e:williams. Natural rights are those inalienable rights not contingent upon the laws, customs, or beliefs of any particular culture or government, and therefore Universal, Unalienable, and Inalienable (i.e., rights that cannot be repealed or restrained by human laws). Take note of Maxims: Notice, to Notify, Know all by these Facts, AND... Know that this living woman is not lost at sea/see or is a decedent. Where ALL my natural rights and liberties have been reserved nun pro tunc. See... Psalms 23: 1-6. See... Affidavit of Reservations where I have made valid, timely, and explicit reservations of my rights under UCC 1-308, by giving these corporations opportunity by way of Affidavit of Fact to come forth and show proof of claims to a bill, debt, tax or any obligations from these corporations within 15 days. An act of dishonor and/or a non-response is agreement.

I do not understand none of what is being conveyed. My signature is of a living woman, not a computer-generated signature and signed with "Without Prejudice" UCC 1-308 NON- ASSUMPSIT above or below reserves all my rights under Article III Judicial. [Yakus v. U.S]. The plaintiff has been made aware and is in violation. By thus trying to subvert this live born spirit/woman into unwilling or unknowing consent to give up my Spirit -Creator given natural freedoms, natural rights, and liberties, by trying to get me to come to the place of business/jurisdiction.

I am placed under no jurisdiction of any corporation, transmitting entity, person, citizen, corporation, Ad Infinitum. See... Page 4 of Affidavit of Truth, Notice of Living Status and Standing.

Under Article I "inferior court", by Admiralty and the only power this Court has over the Sovereign is to give Remedy. The Commission was given a copy of the alleged bills and Affidavit of Truth. Though you agents and servers say that it is an "Order", or a "Demand", or a "Summons", is in reality an offer to get my living self into their jurisdiction. Then threaten to find default if I, my living self do not show up to their appointed time and place or to get an attorney/lawyer to represent the case at hand. You all use "Applications", "Registrations", and "Submissions", as these things are created to keep power over The People, "which I do not consent." Dishonor and non-response have been brought forth from these corporations for not coming forth to show proof of claims to a debt, tax, bill or any obligation within the allotted time of 15 days. I give no man or woman authority over me. Notice(s) has been given to all. For all have undeniable knowledge.

PUBLIC: THIS IS A PUBLIC COMMUNICATION TO ALL: Notice to Agents is Notice to Principles. Notice to Principles is Notice to agents. Applications to all successors and assigns without excuse.

The Justice is the administrator and reflects the wish of the sovereign, or jury, because the people rule, not government servants. The following "Law of the Land" proves this point. [US Constitution, Art. 6 clause 2]. **"THERE IS NO FEDERAL COMMON LAW, AND CONGRESS HAS NO POWER TO DECLARE SUBSTANTIVE RULES OF COMMON LAW applicable IN A STATE, WHETHER they be LOCAL or GENERAL in their nature, be they COMMERCIAL LAW or part of LAW OF TORTS."** [(Erie Railroad Co. v. Tompkins, 304 U.S. 64, 82 L. Ed. 1188)]; [Erie Railroad Co. v. Tompkins, 304 U.S. 64 (1938)].

There is no living man or woman that can claim or presume superiority, authority, or dominion over me. All jurisdictions over the world take notice: All presumptions of fictions, statute tribunals, and any other claims are Hereby denied, challenged, demurer, embargoed, excluded at this time and all times in the present and future. This is a violation against my civil liberties and civil rights. The primary aim of these rules & statutes is to take goods and property from members of the public. As Judge Witt of the 16th Judicial Appeals Court had done and violated my right not to participate in employment slavery or have an obligation to the courts rules and statutes. I spoke the truth and due to rules and statutes they all dismissed the case(s). Thus, stealing from what my soul worked for. All humans are born equal, so nobody has the right to order me around. I am bound by Common Law and not legal statutes, and Common Law does not require me to pay any form of tax.

My Common Law, Civil Rights, Civil Liberties and Human Rights have been violated by the Commission(s), the Judges, their representatives & corporations alike.

- o **Private Civil Liberties: People are free from forced labor, have property rights, and enjoy freedoms of movement (move freely within, to and from the country) and religion (choose and practice FAITH).**

Article 30- Protect and Preserve Human Rights. *Rights that are inalienable and inalienable.

*Corporations needs to be held accountable for human & civil rights violations and not they are not operating in Common Law. Depriving my family to essential needs.

1). Forced vaccines upon myself or family. A violation of the Nuremberg Code.

2). Forced evictions.

3). Forced utility bills, debts, taxes and obligations to these corporations.

The Corporations and the State of Missouri is committing human rights, civil rights, and civil liberty violations. When a State engages in human rights violations, various ACTORS can be involved such as police, judges, prosecutors, commissions and government officials. My civil rights are the right to life, safety, equality. That's God given rights.

The right to water, electricity, natural resources for heating is a human right and public good. To Eradicate the reliance on monopolized profit driven utility corporations and provides the flawed regime that failed to regulate for public interest. Whereas energy, water, natural gas are basic needs for survival and good help; should be accessible to all. Not treated like a commodity as the housing industry is currently portraying. I have loss food due to utility companies disconnecting numerous times for a basic essential need. One is Not being able to cook, bathe or clean/sanitize properly & my family wellbeing are deprived of doing leisure activities, drink/bathe and or eat a warm/hot meal.

Whereas major investor owned utilities and state utility Commissions task are to regulate them. PSC was given a complaint, Notice of Affidavit of Truth and Affidavit of Fact/Reservation of Rights & the Commission still dismissed the case. Thus, still depriving me of the right to represent myself and to have lights, water and gas without the debt placed on it to make use of a vested God Given right. Whereas private monopolies have proven to make profit/gain. I then sent my Affidavit of Fact to show and prove that I am obligated to a bill, tax, debt or obligation to any of these entities. The Commission gave a non-response to Affidavit of Fact and dismissed the cases, thus placing him/her in dishonor.

They all need to be held accountable for depriving people of a basic needs. Energy is free- The Creator gave energy free and there are a few who captured and capitalize off of all-natural sources. Thus, creating poverty by depriving one of basic needs to live.

There needs to be a Universal band on disconnections of electric, gas and water for non- payment or using people as commodity and enforce progressive residential utilities regulations and energy debt for those of low wealth. As I have experienced and living it. Paying with FRN is an obligation. It's colorable. The alleged bills are dishonored and because dishonor has been brought forth from these companies for not coming forth to show proof of claims and or a non-response to your alleged bill, tax, debt and obligations to this corporations places these companies in agreement and dishonor.

Evergy, Spire and Water Services /Agents/ have continued to send alleged bills by pushing fear. Thus, the bills is proof that cash payments are colorable: "That which is in appearance only, and not what it purports to be; hence counterfeit, feigned, having the appearance of truth." Black's Law Dictionary 5th Ed.

Government Obligations to Protect the Right to Housing... State obligations fall into three categories, namely the obligations to *respect, protect* and *fulfill*. Adequate housing was recognized as part of the right to an adequate standard of living in article 25 of the 1948 Universal Declaration of Human Rights and in article 11.1 of the 1966 International Covenant on Economic, Social and Cultural Rights. Other international human rights treaties have since recognized or referred to the right to adequate housing or some elements of it, such as the protection of one's home and privacy. What remains a constant is that safe, affordable, and stable housing is a forever need and a human right. Housing is not just a commodity; it's a cornerstone of health, stability, and human dignity. But, myself and my family are being treated as Commodity for profit or gain. The courts aren't for us, they are used to take and steal no matter what I say.

The Common Law is the real law, the Supreme Law of the Land, the code, rules, regulations, policy, and statutes are "not the Law". [Self v. Rhay]. "All codes, rules, and regulations are for government authorities only, not human/creators in accordance to God's Laws. All codes, rules, and regulations are unconstitutional. [Rodriguez v. Ray Donovan]. "All laws, rules, and practices which are repugnant to the Constitution are null and void." [Marbury v. Madison]. I can only be judged by the Judge of the Universe, my Creator that gives and gave life in this body.

"Sovereignty itself, of course, not subject to law, for it is the Author and Source of Law." [Yick Wo. v. Hopkins].

ORDER DISMISSING CASE

Issue Date: June 5, 2024

Effective Date: July 5, 2024

On May 1, 2024, Shamera Williams (Complainant) filed a formal complaint pursuant to Commission Rule 20 CSR 4240-2.070 against Spire Missouri, Inc. d/b/a Spire (Spire). The complaint alleges Spire has violated numerous federal laws in the Uniform Commercial Code. The Complainant's pleadings state the Complainant is a corporation. On May 3, 2024, Spire filed an Answer.

On May 15, 2024, the Commission issued a Notice of Deficiency notifying Complainant that as a corporation they need an attorney to represent them before the Commission. Complainant's response, filed on May 20, 2024, did not cure the deficiency

since it was not filed by an attorney. The Complainant cited several federal laws and court cases dealing with the federal Uniform Commercial Code.¹

Commission Rule 20 CSR 4240-2.040 states that a corporation must be represented by an attorney before the Commission. Complainant did not obtain an attorney and filed a response to the Notice of Deficiency without an attorney, so this case must be dismissed.

Commission Rule 20 CSR 4240-2.070(7) states that the Commission may after notice dismiss a complaint for failure to comply with any provision of these rules or an order of the Commission. Commission Rule 20 CSR 4240-2.116(4) states that the Commission may dismiss a case for good cause after a minimum of ten days' notice to all parties involved.

The Commission is an administrative body of limited jurisdiction, having only the powers expressly granted by statutes and reasonably incidental thereto.² Further, Section 386.390.1, RSMo (Supp. 2023) provides that the Commission shall hear complaints regarding "a violation, of any provision of law, or of any rule or order or decision of the commission."

Commission Rule 20 CSR 4240-2.070(7) states that the Commission may after notice dismiss a complaint for failure to state a claim on which relief may be granted. Commission Rule 20 CSR 4240-2.116(4) states that the Commission may dismiss a case for good cause after a minimum of ten days' notice to all parties involved. In this case, the

¹ Complainant's May 20, 2024 response included several documents including 12 Affidavits and one Notice of People's Assembly and Notice of Corrective wisdom from the Supreme Court citing cases upholding the Uniform Commercial Code.

² See, e.g., *State ex. rel. City of St. Louis v. Missouri Public Service Comm'n*, 73 S.W.2d 393, 399 (Mo. banc 1934); *State ex. rel. Kansas City Transit, Inc. v. Public Service Comm'n*, 406 S.W.2d 5, 8 (Mo. 1966); *State ex rel GS Technologies Operating Co. v. PSC of Mo.*, 116 S.W.3d 680, 696 (Mo. App. 2003).

Complainant has not alleged that Spire violated any law, rule, or order or decision of the Commission. Rather, the Complainant alleges only that Spire violated several federal laws including the Uniform Commercial Code. Complainant does not allege any facts upon which relief may be granted. The complaint alleges no violation of any statute, rule, regulation, or tariff over which the Commission has jurisdiction. The Commission further finds that because the complaint alleges no claim for which relief may be granted and no violation of any statute, rule, regulation, or tariff over which the Commission has jurisdiction, good cause exists to dismiss the complaint.

Under Commission Rule 20 CSR 4240-2.070(14), the regulatory law judge shall cause the parties to be notified that the dismissal of the complaint will be final unless an application for rehearing is filed. The application for rehearing must be filed with the Commission before the effective date of this order, which is July 5, 2024.³

If the Commission denies the application for rehearing, the parties then have 30 days after the denial is issued to file an appeal with the court of appeals.⁴ If the Commission grants the application for rehearing, then the Commission will order appropriate actions at that time.

THE COMMISSION ORDERS THAT:

1. The complaint filed on May 1, 2024, is dismissed.
2. If the Complainant wishes to request a rehearing by the Commission, such request must be filed before July 5, 2024.
3. This order shall be effective on July 5, 2024.

³ Section 386.500, RSMo (2016) and Section 386.515, RSMo (Supp. 2023).

Declaration of Status of Sha'Mera-Elisa: Williams Pre 1933 Private American National Citizen of the United States of America, and Declaration of Mistake

I, Sha'Mera-Elisa of the family Williams, a creation of the Supreme Creator (God), in *esse* and *sui juris*, have reached the age of majority, am of sound mind and competent to testify, do hereby declare the following truths to the best of my knowledge and belief:

Maxims: "Equity regards as done that which ought to have been done." Equity will not aid a volunteer Equity will not complete an imperfect gift Equity will not suffer a wrong to be without a remedy Equity will not permit a statute to be used as an instrument of fraud an un-rebutted Declaration point by point stands as Truth Coming in peace, and granting peace to all men.

Accordingly, I, Sha'Mera-Elisa: Williams *sui juris*, affiant formally known as SHAMERA ELISA WILLIAMS in some cases, in *essence* and *sui juris*, good reason and good conscience, hereby make oath, depose and declare that the following facts are true, correct and complete to the best of my knowledge and belief.

I, Sha'Mera-Elisa: Williams *sui juris*, do solemnly declare and affirm the following historical facts and distinctions with regard to the status of *de jure* Private American National Citizenship (said original federal citizenship, secured by Article IV, Section 2 of the Constitution for the united States of America, having been broadened into national citizenship by Section 1 of the 14th Amendment to the Constitution of the United States of America) and on the other hand, a State-created, statutory, *de facto* Public "U.S. citizenship" as a basis enabling a correction of mistake by this Declaration.

This *de facto* Public U.S. citizenship, being in substance likened to a privileged Roman citizenship, would enable the constitutionally *de jure* civilian government of the United States (having been constitutionally altered from being a *de jure* "Federal" government to a *de jure* "National" government by the 14th Amendment, 1868) to be replaced with a Congressionally-created, statutory, *de facto* Emergency War Powers military government of the United States on March 9, 1933,

This current *de facto* government in many ways has in fact replaced the constitutional, *de jure* jurisdiction of the United States, the "United States" being the collective name of the states which are united by and under the

DECLARATION OF STATUS of Sha'Mera-Elisa: Williams Private American National Free Woman

constitution, "(Hooven & Allison Co. v. Evatt, 324 U.S. 652, 672), replacing it with a de facto jurisdiction of the United States", (Hooven & Allison Co, v. Evatt, supra, 671). This in effect then, leaves only exclusive/American Equity Jurisdiction operable for remedies required by the Private American National Citizen, the posterity of the People that created these United States.

Further, that unilateral contract was the application for birth certificate/ public filing of a "Certificate of Live Birth". The American application for birth certificate "Certificate of Live Birth" -by operation of law—would be the contract to alter de jure Private American National Citizenship to de facto Public "U.S. citizenship". With this presumption of fact of an existing contract held by every individual Public "U. S. citizen" (holding its Private American National Citizen of the United States of Banking Relief Act", in its initial paragraphs containing a congressionally-amended WWI statute known as "Trading with the Enemy Act" and codified as 12 USC 95(a), and secondly by then President Franklin D. Roosevelt's Emergency War Powers Proclamation 2040 decreed on March 9, 1933;

1. Declarant is the Divine Spirit incarnate as woman. There is no proof to the contrary;
2. Declarant was born alive on the geographic location body known as Missouri Republic. There is no proof to the contrary;
3. Declarant does not consent to being a U.S. Citizen nor any citizen of any corporate body politic on Earth and as such is alien to the jurisdiction of the United States. There is no proof to the contrary;
4. Declarant is always in Peace and Honor as an American National whereas Declarant is not an enemy, belligerent, rebel or terrorist subject to the Trading with The Enemy Act of October 6, 1917, the Emergency Banking Relief Act of March 9, 1933, the Patriot Act of October 26, 2001 or any other public policy and/or statute of the United States or its subsidiary States, possessions or territory. There is no proof to the contrary;
5. Declarant does not consent to any express or implied contracts, trust indentures, trust instruments, bailment agreements and/or any agreements made either publicly or privately with any natural or artificial person and hereby terminates all agreements on the grounds they were previously signed by Declarant under threat, duress, incompetence or without full disclosure wherefore Declarant hereby declares all said contracts null and void nunc pro tunc ab initio. There is no proof to the contrary;
6. Declarant does not reside on any Federal land lawfully ceded to the United States of America, the United States or any territory possession thereof. There is no proof to the contrary;
7. There is no proof to the contrary;

WHEREAS, upon the public filing of the **BIRTH CERTIFICATE** with its attached Private American Citizen serving as Surety and personal property, another "source" was created that would generate "income" which could then be income/excise/privileged taxed; the natural person/baby/Private American National Citizen now wedded to his new artificial person / "U.S. Citizen" as its property and subordinate Surety, the new "source" (deemed a "rebel" and "belligerent" residing according to state statute in a state deemed an "occupied territory") being in commerce and subject to the absolute legislative powers of the "temporary" Emergency War Powers Congress (1933-present) to regulate without limited interstate and foreign commerce pursuant to Article 1, Section 8, Clause 3, of the "United States Constitution" during this time of a "temporary" declared state of National Emergency now 2016 in its eighty-third year;

DECLARATION OF STATUS of Sha'Mera-Elisa: Williams Private American National Free Woman

WHEREAS, Affiant, a Private American National Citizen, has presently ceased to be Surety for the personal property of the Public "U.S. citizen" SHAMERA ELISA WILLIAMS" by means of a duly filed "Release with Consideration Nunc Pro Tunc Ab Initio", and "Rescission of Signatures of Surety Ship, Nunc Pro Tunc Ab Initio", thereby returning to the former status of being a Private American National Citizen held for less than twenty (20) days after infants' natural birth:

8. Affiant in essence has irrevocably separated himself from the state-created FRANCHISE, CORPORATE SOLE, "United States citizen", which was created by means of a publicly filed BIRTH CERTIFICATE. Affiant hereby revokes all powers, including but not limited to, Powers of Attorney and/or Agency that Affiant may have granted to any third party, public and/or private. Therefore, Affiant does not consent and is not a party to FDR's contract with all "U.S. citizens" by means of Proclamation 2040 confirmed and approved by Congress in its passage of the "Emergency Banking Relief Act" and then thereby amending the Trading With the Enemy Act*. Therefore, Affiant is not in commerce (as are corporations), never to enjoy any commercial privilege of limited liability as a matter of "United States citizenship" status (as do corporations being Public US. citizens), having discharged all de facto Emergency War Power Military Governments, federal and state, from any duty or obligation arisen from Affiant being the Property/Surety for and/or wedded to the state-created hybrid, the federally owned Public "U.S. citizen" in service of Washington D.C., for commerce and war.

WHEREAS, I, Sha'Mera-Elisa: Williams sui juris, have returned to my former status of being an American Freeman and an American National in Equity, i.e. de jure Private National Citizen of the United States under Section 1 of the 14th Amendment and therefore stand "in personam", "in essence", and "sui juris", possessing all God-given unalienable rights including those protected by the first eight amendments of the Bill of Rights, all Constitutional rights (federal and state) and all common Law rights of a de jure Private Citizen of the United States/American National, no longer under the legal disability of being the Property/Surety for and/or wedded to a de facto, state-created, Public ""U.S. citizen" owned by the Federal de facto Military Government of the United States;

WHEREAS, I, Sha'Mera-Elisa: Williams sui juris, am no longer the Property/Surety for and/or wedded to a de facto Public U.S. citizen" (which is "alien juris"), therefore, no longer under the de facto jurisdiction a power of statutorily-created, defacto Emergency War Powers Governments (federal and state) as those absolute legislative, absolute executive, and absolute judicial powers are exercised towards a de facto Public "U.S. citizen" deemed a "rebel and belligerent "statutorily "residing" in a state deemed "occupied territory", and therefore no longer under the paternal guardianship of defacto Emergency War Powers Governments (federal and state) as those absolute, paternal powers are exercised toward sits "infants, children and wards", and the de facto Public U.S. citizens"; And so Sha'Mera-Elisa: Williams sui juris, aka SHAMERA ELISA WILLIAMS, hereby present my renunciation, as to any implied allegiance to the de facto "United States", citizen"(artificial person/"U.S. citizen") of the sovereign, de facto Military Government of the United States for income/excise/privilege tax purposes.

9. My flags, national and state, are not military colors bordered with gold fringe and/or draped with gold cords with gold tassels.

10. I am not a rebel, belligerent or-enemy publicly residing within a conquered territory of the "United States" (the territory over which the sovereignty of the United States exists", Hooven, supra p 671), its sovereign, de facto, Military Government having been created by FDR's presidential proclamation 2040 approved and confirmed by Congress, "Emergency Banking Relief Act" (12 USC 95b), which act also was amended (via 12 USC 95a) the "Trading with the Enemy Act" (SO USC App, S(b), on March 9, 1933.

11. I do not publicly reside according to state statute within a conquered territory or within a federal military district of the geographical Republic of the United States of America (composed of the fifty states). My special, private and confidential location, of living in Equity, on the land of the County of Jackson County may be mailed service at: Sha'Mera-Elisa: Williams sui juris, American National Private Citizen of the United States of America Private Citizen of the Republic of Missouri Nation Missouri, General delivery Kansas City, Zip accepted near (64132-2072)

DECLARATION OF STATUS of Sha'Mera-Elisa: Williams Private American National Free Woman

12. I do not publicly reside according to statute within any of the ten regions of the geographical United States of America designated by Zip codes of the Federal Zone Improvement Project begun in 1963 and take exception to whenever and wherever possible in the use of either a ZIP code or a Postal code, both being synonymous.

13. Declarant acknowledges and accepts the Uniform Commercial Code definition of "registered organization" in Article 9-102(a) (71) as "means an organization organized solely under the law of a single State or the United States by the filing of a public organic record with, the issuance of a public organic record by, or the enactment of legislation by the State or the United States." There is no proof to the contrary;

14. Declarant acknowledges and accepts the Uniform Commercial Code definition of "goods" in Article 9-102(a)(44)(iii) as "the unborn young of animals." There is no proof to the contrary;

15. Declarant acknowledges and accepts the Black's Law 7th Ed. dictionary definition of "best evidence" as "evidence of the highest quality available, as measured by the nature of the case rather than the thing offered as evidence... See **BEST-EVIDENCE RULE.**" There is no proof to the contrary;

16. Declarant hereby resigns all assumed, presumed, or express agency with any legal fiction public and private corporate bodies, governments, associations et. al. There is no proof to the contrary;

17. Declarant hereby appoints: Shamera-Elisa: Williams sui juris to the position of General Executor for the shamera ELISA WILLIAMS, Estate. There is no proof to the contrary;

Take notice: that I revoke, cancel, and make void from the beginning my signature on any and all "contracts," "agreements," "forms," or any "instrument" be construed in any way to give any agency or department of any "government" any "authority," "venue," or "jurisdiction" over me.

Typical examples of such compelled and pretended "benefits" are:

18. The use of national currency to discharge my debts: I have used these only because there is no other widely recognized currency.

19. The use of a bank account: If there is any hidden "contract" behind an account, my signature therewith gives no validity to it. The signature is only for verification of identity. I cannot be obligated to fulfill any hidden or unrevealed "contract" what so ever, due to the absence of full disclosure and voluntary consent. Likewise, my use of the bank account is due to the absence of an alternative. To not use any bank at all is very difficult and impractical.

20. The use of a "driver's license": There is no real need for me to have such a "license" for travelling in a car. However, if I am stopped for any reason and found to be without a "license," it is likely I would be unduly harassed and penalized. Therefore, under duress, I carry a "license" only to avoid extreme inconvenience.

21. "State plates" on my car: Similarly, if I have "registered" my car with the "state" and carry the "state plates" on it, I have done so only because to have any other "plates" or no "plates" at all, causes me to run the risk of "police officer" harassment and extreme inconvenience.

22. The use of a "passport": There is no real need for me to have a "passport" (or other associated "permits," "visas," etc.) to travel. I have the right to travel without hindrance, wherever, however, and whenever I wish, so long as I do not encroach upon the private property of others. Though without a "passport," my right to travel is unduly hindered. Therefore, under duress, I only use a "passport" to prevent extreme inconvenience and to ensure that I can travel from one "country" to another at all.

DECLARATION OF STATUS of Sha'Mera-Elisa: Williams Private American National Free Woman

23. Past "filing" of "tax returns": Because such "tax returns" were "filed" under threat, duress, and coercion, and no two-way contract was ever signed with full disclosure, there is nothing in any past "filing" of "tax returns" or payments that created any valid contract. Therefore, no obligation on my part was ever created.

24. "Citizenship": Any document I may have ever signed, in which I answered "yes" to the question, "Are you a UNITED STATES citizen?" - cannot be used to compromise my status as a sovereign, nor obligate me to perform in any manner. This is because without full written disclosure of the definition and consequences of such supposed "citizenship," provided in a document bearing my signature given freely without misrepresentation or coercion, there can be no binding contract. I am not a "UNITED STATES citizen." I am not a "resident of," an "inhabitant of," a "franchise of," a "subject of," a "ward of," the "property of," the "chattel of," or "subject to the jurisdiction of" any "monarch" or any corporate "commonwealth," "federal," "state," "territory," "county," "council," "city," "municipal body politic," or other "government" allegedly "created" under the "authority" of a "constitution" or other "enactment." I am not subject to any "legislation," department, or agency created by such "authorities," nor to the "jurisdiction" of any employees, officers, or agents deriving their "authority" therefrom. Nor do any of the "statutes" or "regulations" of such "authorities" apply to me or have any "jurisdiction" over me. Further, I am not a subject of any "courts" or bound by "precedents" of any "courts," deriving their "jurisdiction" from said "authorities."

Take notice: that I hereby cancel and make void from the beginning any such "instrument" or any presumed "election" made by any "government" or any agency or department thereof, that I am or ever have voluntarily elected to be treated as a subject of any "monarch" or a "[insert name of "country" here] citizen," or a "resident" of any "commonwealth," "state," "territory," "possession," "instrumentality," "enclave," "division," "district," or "province," subject to their "jurisdiction(s)."

25. Use of semantics: There are some immature people with mental imbalances, such as the craving to dominate other people, who masquerade as "government," and call the noise and scribbles that emanate from their mouths and pens "the law" which "must be obeyed." Just because they alter definitions of words in their "law" books to their supposed advantage, doesn't mean I accept those definitions. The fact that they define the words "person," "address," "mail," "resident," "motor vehicle," "driving," "passenger," "employee," "income," and many others, in ways different from the common usage, so as to be associated with a subject or slave status, means nothing in real life. Because the "courts" have become entangled in the game of semantics, be it known to all "courts" and all parties, that if I have ever signed any document or spoken any words on record, using words defined by twists in any "law" books different from the common usage, there can be no effect whatsoever on my sovereign status in society thereby, nor can there be created any "obligation" to perform in any manner, by the mere use of such words. Where the definition in the common dictionary differs from the definition in the "law" dictionary, it is the definition in the common dictionary that prevails, because it is more trust worthy. Such compelled and supposed "benefits" include, but are not limited to, the aforementioned typical examples. My use of such alleged "benefits" is under duress only, and is with full reservation of all my natural inherent rights. I have waived none of my intrinsic rights and freedoms by my use thereof. Furthermore, my use of such compelled "benefits" may be temporary, until alternatives become available, practical, and widely recognized.

26. "Constitution": The document supposedly setting forth the foundations of a "country" and "its" "government," has no inherent authority or obligation. A "constitution" has no authority or obligation at all, unless as a contract between two or more individuals, and then it is limited only to those individuals who have specifically entered into it. At most, such a document could be a contract between the existing people at the time of its creation, but no one has the right, authority, or power to bind their posterity. I have not knowingly, voluntarily and intentionally entered into any such "constitution" contract to oblige myself thereby, therefore such a document is inapplicable to me, and anyone claiming to derive their "authority" from such a document has no "jurisdiction" over me.

DECLARATION OF STATUS of Sha'Mera-Elisa: Williams Private American National Free Woman

27. Children in public school: The attendance of my children in government supported "public" schools or government controlled "private" schools does not create any legal obligation for me, nor any other legal obligation, because I never signed a contract agreeing to such obligation for the supposed "privilege" of public-school attendance. If any of my children have attended government supported "public" or controlled "private" schools, such was done under duress and not out of free will. Be it known that I regard "compulsory state education" as a violation of the thirteenth Amendment to the U.S. Constitution, which states in relevant part "Either slavery nor involuntary servitude, except as a punishment for crime whereof the party shall have been duly convicted, shall exist within the united States, or any place subject to their jurisdiction.

28. Use of the 2-letter state code and, zip code: My use of the 2-letter state code and zip code in my "address," which is secretly codified to indicate united States "federal (one)" jurisdiction, has no effect whatsoever on my Sovereign status. Simply by receiving or sending "mail" through a quasi-federal messenger service, the postal service, at a location in dictated with a 2-letter state code and zip code, cannot place me under federal jurisdiction or obligation. Such a presumption would be ludicrous. I use these codes only for the purposes of information and making it more efficacious for the U.S. Postal Service to deliver my mail.

29. The use of a Social Security number: The number normally assigned to persons of subject status, I use exceptionally, under duress, only because of the extreme inconvenience of operating without one in today's marketplace, where it is requested by banks, employers, lenders, and many other government agencies and businesses. My reason for using it is not because I wish to participate in the Social Security system, as I don't wish to participate. Let it be known that I use the Social Security number assigned to me for information only.

30. Marriage license: The acquisition of a marriage license is now being revealed as being unnecessary only for slaves. The act of a Sovereign such as myself obtaining such a license, through social custom and ignorance of law, has no legal effect in changing my status this is because any such change in status, if any may be supposed to occur, could happen only through a hidden and unrevealed contract or statute. Since no hidden, unrevealed, and undisclosed information, if it exists, can be lawfully held to be binding, it is null and void.

Further, I, Sha'Mera-Elisa: Williams of in essence and sui juris, make oath, do solemnly declare and affirm the following specific negative averments:

1. Whereas a mistake made by my natural parents in unknowingly subjecting me, while yet a baby, to the intentions and jurisdiction of this aforesaid temporary de facto government that they misunderstood, and now hold such mistaken act as unconscionable by their own admission?
2. Am I not free, under the rules of English American Equity, to correct a mistake for the regard of my own interest?
3. Can I not now choose by my free will act to properly correct my status by way of this declaration, for the intention of having proper and peaceful relations with all men?
4. Are not all of the aforesaid averments made in this declaration true regarding who I am, and who I am not being?
5. Are my own parents both not also in the process of a similar status correction action regarding their own interests?
6. Is it not my intention to see it that my own husband and children have the same proper status as myself, and does our identity belong on the U.S. "Do not Detain Do not Arrest List"?

DECLARATION OF STATUS of Sha'Mera-Elisa: Williams Private American National Free Woman

Further and Finally:

I, Sha'Mera-Elisa: Williams sui juris, am a constitutionally-acknowledged and protected, de jure Pre-1933 Private American National Citizen of the United States of America, and therefore, I am a constitutionally-acknowledged and protected, de jure, Private Citizen of the Republic of ██████████ known as a ██████████ Specially and Privately inhabiting in English/American Equity on the land of ██████████ in Missouri Republic. 1. It is declared that is a debt collector and that I have never contracted with your company and thus I have no financial obligation to your company.
2. You have purchased a debt from another company and you had no interest in the original debt making your status that of a mere volunteer. Formally known as KCPL; Kansas City Power and Light and Missouri Gas Energy.
3. The right of subrogation does not arise to one who pays the debt of another as a mere volunteer. This includes attempts at collection by assignment, transfer, or trade.
4. A volunteer, stranger, or intermeddler is "one who thrusts himself into a situation on his own initiative, and not one who becomes a party to a transaction upon the urgent petition of a person who is vitally interested, and whose rights would be sacrificed did he not respond to the importunate appeal," Laffranchini, 39 Nev. 48, 153 P. at 252 ... Parties may be considered volunteers if, in making a payment, they have no interest of their own to protect, they act without any obligation, legal or moral, and they act without being requested to do so by the person liable on the original obligation. Henningsen v. United States Fidelity Guar. Co., 208 U.S. 404, 411 (1908); Smith v. State Sav. & Loan Ass'n, 175 Cal. App. 3d 1092, 1098, 223 Cal. Rptr. 298, 301 (1986); Norfolk & Dedham Fire Ins. Co. v. Aetna Casualty & Surety Co., 132 Vt. 341, 344, 318 A.2d 659, 661 (1974).
5. Your company extinguished the alleged debt upon purchase and any attempt to collect or sell the debt is an act of fraud.
6. Know and understand that contacting me again after receipt of this notice without providing procedurally proper verification of the debt constitutes the use of interstate communications in a scheme of fraud by advancing a writing, which you know is false, with the intention that others rely on the written communication to their detriment.
7. You have not produced the account and general ledger statement showing the full accounting of the alleged obligation that you are now attempting to collect as demanded by the FDCPA.
8. You have not provided a copy of a contract between me and Every Metro Inc & Spire Missouri Inc or the original creditor as I have repeatedly requested, thus trying to defraud me of my money and are a party to mail fraud.
9. By reporting to credit agencies anything but "debt is paid in full" you are committing fraud and are open to lawsuit under the FDCPA. Failure to provide me with a written letter by your agency/law firm of

"non-existence of debt" within 10 days will result in the actions mentioned below. Failure to purge all derogatory credit reporting from any credit agencies, including Experian, Equifax and TransUnion without validity of the aforementioned debt shall be considered an act of fraud. Illegal extortion of funds Punitive damages General damages Exemplary damages Special damages Inability to obtain fresh credit for filing judgments against my credit bureau and/or such further & other relief as I deem necessary to seek. You, have 10 days upon receipt to respond to this notice of fraud. If you do not respond within the 10 days you agree that this declaration is true and that you will report debt as "paid in full" and that no money is owed to Evergy Metro Inc., Spire Missouri Inc., and the Water Services.

THAT, this declaration if not rebutted by any man/woman, representing Evergy Metro Inc., Spire Missouri Inc., and Water Services at any level, in any matter, at any time within 10 days upon receipt, these facts stand as true in the both the private and public record.

SOVEREIGNTY AFFIDAVIT OF TRUTH

Be it known to all who call themselves "government," their "courts," agents, corporations and other parties, that I, Sha'Mera-Elisa: Williams, sui juris © am a natural, freeborn sovereign individual, without subjects.

I am neither subject to any entity anywhere, nor is any entity subject to me. I neither dominate anyone, nor am I dominated. I am not a "person" as defined in commercial "statutes" when such definition includes "artificial entities."

I refuse to be treated as a "federally" or "state" created entity which is only capable of exercising certain rights, privileges, or immunities as specifically "granted" by "federal" or "state" "governments." I, Secured Party Name© am created by GOD alone and subject only to my true Creator, GOD.

I am not a fictitious corporate entity, or public office holder using any fraudulent government-created, upper case name [THE STRAW MAN] that resembles my natural name. This upper case fictional identity was forged for illegal commercial gain from a birth certificate, without full disclosure and without my consent or my mother's consent. I may voluntarily choose to comply with the "laws" which others attempt to impose upon me, but no such "laws," nor their "enforcers," have any authority over me. I am not in any "jurisdiction" for I am not of subject status.

Unless I have willfully harmed or violated someone or someone's property without their consent, I have not committed any crime, and am therefore not subject to any penalty. Thus, be it known to all, that I reserve my natural right not to be compelled to perform under any "contract" that I did not enter into knowingly, voluntarily, and intentionally.

Furthermore, I do not accept the "liability" associated with the compelled and pretended "benefit" of any hidden or unrevealed "contract" or "commercial agreement." As such, the hidden or unrevealed "contracts" that supposedly create "obligations" to perform, for persons of subject status, are inapplicable to me, and are null and void. If I have participated in any of the supposed "benefits" associated with these hidden "contracts," I have done so under duress, for lack of any other practical alternative. I may have received such "benefits" but I have not accepted them in a manner that binds me to anything.

Any such participation does not constitute "acceptance," because of the absence of full disclosure of any valid offer, and voluntary consent without misrepresentation or coercion. Without a valid voluntary offer and acceptance, knowingly entered into by both parties, there is no "meeting of the minds," and therefore no valid contract. Any supposed "contract" is therefore void, from the beginning. From my age of consent to the date affixed below I have never signed a contract knowingly, willingly, intelligently, voluntarily, and intentionally whereby I have waived any of my natural inherent rights, and, as such, take notice that I revoke, cancel, and make void from the beginning my signature on any and all "contracts," "agreements," "forms," or any "instrument" which may construed in any way to give any agency or department of any "government" any "authority," "venue," or "jurisdiction" over me. Typical examples of such compelled and pretended "benefits" are:

1. "Birth Certificate": The fact that a "birth certificate" was issued to me by a local hospital or "government" agency when I was born, is irrelevant to my sovereignty. No status, high or low, can be assigned to another person through a piece of paper, without the recipient's full knowledge and consent. Therefore, such a piece of paper provides date and place information only. It indicates nothing about "jurisdiction," nothing about property ownership, nothing about rights, and nothing about subject status. The only documents or commercial contracts that can have any significance, as it concerns my status in

society, are those which I have signed as an adult, with full knowledge and consent, meeting true requirements of an "enforceable" contract, free from non-disclosure, misrepresentation, or coercion of any kind.

2. The use of national currency to discharge my debts: I have used these only because there is no other widely recognized currency.

3. The use of a bank account: If there is any hidden "contract" behind an account, my signature therewith gives no validity to it. The signature is only for verification of identity. I cannot be obligated to fulfill any hidden or unrevealed "contract" whatsoever, due to the absence of full disclosure and voluntary consent. Likewise, my use of the bank account is due to the absence of an alternative. To not use any bank at all is very difficult and impractical.

4. The use of a "driver's license": There is no real need for me to have such a "license" for travelling in a car. However, if I am stopped for any reason and found to be without a "license," it is likely I would be unduly harassed and penalized. Therefore, under duress, I carry a "license" only to avoid extreme inconvenience.

5. "State plates" on my car: Similarly, if I have "registered" my car with the "state" and carry the "state plates" on it, I have done so only because to have any other "plates" or no "plates" at all, causes me to run the risk of "police officer" harassment and extreme inconvenience.

6. The use of a "passport": There is no real need for me to have a "passport" (or other associated "permits," "visas," etc.) to travel. I have the right to travel without hindrance, wherever, however, and whenever I wish, so long as I do not encroach upon the private property of others. Though without a "passport," my right to travel is unduly hindered. Therefore, under duress, I only use a "passport" to prevent extreme inconvenience and to ensure that I can travel from one "country" to another at all.

7. Past "filing" of "tax returns": Because such "tax returns" were "filed" under threat, duress, and coercion, and no two-way contract was ever signed with full disclosure, there is nothing in any past "filing" of "tax returns" or payments that created any valid contract. Therefore, no obligation on my part was ever created.

8. Past "enrolment" and "voting": Similarly, since no obligation to perform in any manner was ever revealed in print, as part of the "requirements" for the supposed "privilege" to "enroll" and "vote," any such "enrolment" or "voting" does not oblige me to do anything, nor grant any "jurisdiction" over me to anyone.

9. "Citizenship": Any document I may have ever signed, in which I answered "yes" to the question, "Are you a UNITED STATES citizen?" - cannot be used to compromise my status as a sovereign, nor obligate me to perform in any manner. This is because without full written disclosure of the definition and consequences of such supposed "citizenship," provided in a document bearing my signature given freely without misrepresentation or coercion, there can be no binding contract. I am not a "UNITED STATES citizen." I am not a "resident of," an "inhabitant of," a "franchise of," a "subject of," a "ward of," the "property of," the "chattel of," or "subject to the jurisdiction of" any "monarch" or any corporate "commonwealth," "federal," "state," "territory," "county," "council," "city," "municipal body politic," or other "government" allegedly "created" under the "authority" of a "constitution" or other "enactment." I am not subject to any "legislation," department, or agency created by such "authorities," nor to the "jurisdiction" of any employees, officers, or agents deriving their "authority" therefrom. Nor do any of the "statutes" or "regulations" of such "authorities" apply to me or have any "jurisdiction" over me. Further, I

am not a subject of any "courts" or bound by "precedents" of any "courts," deriving their "jurisdiction" from said "authorities."

Take notice that I hereby cancel and make void from the beginning any such "instrument" or any presumed "election" made by any "government" or any agency or department thereof, that I am or ever have voluntarily elected to be treated as a subject of any "monarch" or a "[insert name of "country" here] citizen," or a "resident" of any "commonwealth," "state," "territory," "possession," "instrumentality," "enclave," "division," "district," or "province," subject to their "jurisdiction(s)."

10. "Constitution": The document supposedly setting forth the foundations of a "country" and "its" "government," has no inherent authority or obligation. A "constitution" has no authority or obligation at all, unless as a contract between two or more individuals, and then it is limited only to those individuals who have specifically entered into it. At most, such a document could be a contract between the existing people at the time of its creation, but no-one has the right, authority, or power to bind their posterity. I have not knowingly, voluntarily and intentionally entered into any such "constitution" contract to oblige myself thereby, therefore such a document is inapplicable to me, and anyone claiming to derive their "authority" from such a document has no "jurisdiction" over me.

11. Use of semantics: There are some immature people with mental imbalances, such as the craving to dominate other people, who masquerade as "government," and call the noises and scribbles that emanate from their mouths and pens "the law" which "must be obeyed." Just because they alter definitions of words in their "law" books to their supposed advantage, doesn't mean I accept those definitions. The fact that they define the words "person," "address," "mail," "resident," "motor vehicle," "driving," "passenger," "employee," "income," and many others, in ways different from the common usage, so as to be associated with a subject or slave status, means nothing in real life. Because the "courts" have become entangled in the game of semantics, be it known to all "courts" and all parties, that if I have ever signed any document or spoken any words on record, using words defined by twists in any "law" books different from the common usage, there can be no effect whatsoever on my sovereign status in society thereby, nor can there be created any "obligation" to perform in any manner, by the mere use of such words. Where the definition in the common dictionary differs from the definition in the "law" dictionary, it is the definition in the common dictionary that prevails, because it is more trustworthy. Such compelled and supposed "benefits" include, but are not limited to, the aforementioned typical examples. My use of such alleged "benefits" is under duress only, and is with full reservation of all my natural inherent rights. I have waived none of my intrinsic rights and freedoms by my use thereof. Furthermore, my use of such compelled "benefits" may be temporary, until alternatives become available, practical, and widely recognized.

REVOCAION OF POWER OF ATTORNEY

I hereby revoke, rescind, cancel, and make void from the beginning, all powers of attorney, in fact or otherwise, implied in "law" or otherwise, signed either by me or anyone else, as it pertains to any "tax file/identification number" and/or "social security number" assigned to me, as it pertains to my "birth certificate," and as it pertains to any and all other numbers, "licenses," "certificates," and other "instruments" issued by any and all "government" and quasi-"governmental" departments or agencies, due to the use of various elements of fraud by said agencies to attempt to deprive me of my sovereignty and/or property. I hereby waive, cancel, repudiate, and refuse to knowingly accept any alleged "benefit" or "gratuity" associated with any of the aforementioned numbers, "licenses," "certificates," and other "instruments." My use of any such numbers, "licenses," "certificates," or other "instruments" has been for information purposes only, and does not grant any "jurisdiction" to anyone. I do hereby revoke and rescind all powers of attorney, in fact or otherwise, signed by me or otherwise, implied in "law" or otherwise, with or without my consent or knowledge, as it pertains to any and all property, real or personal, corporeal or incorporeal, obtained in the past, present, or future. I am the sole and absolute owner and possess allodial title to any and all such property.

Take notice that I also revoke, cancel, and make void from the beginning all powers of attorney, in fact, in presumption, or otherwise, signed either by me or anyone else, claiming to act on my behalf, with or without my consent, as such power of attorney pertains to me or any property owned by me, by, but not limited to, any and all quasi/colorable, public, "governmental" departments, agencies or corporations on the grounds of constructive fraud, concealment, and nondisclosure of pertinent facts. I affirm that all of the foregoing is true and correct. I affirm that I am competent to make this Affidavit. I hereby affix my own signature to all of the affirmations in this entire document with intentionally, and without misrepresentation, duress, or coercion. The use of notary below is for identification only, and such use does not grant any "jurisdiction" to anyone.

FURTHER AFFIANT SAITH NOT.
