On February 15, 2024 Evergy Metro, Inc. d/b/a Evergy Missouri Metro (Evergy Metro or Company) filed an application requesting authority to issue debt securities in the form of General Mortgage Bonds. On March 15, 2024 the Commission issued an Order approving the application with conditions, including the condition that Evergy”

In addition, the Company shall also provide the analysis, to include but not be limited to, indicative pricing information provided by investment banks it performed to determine that the terms for the debt it decided to issue were the most reasonable at the time.

On May 9, 2024 Evergy filed a Motion to Late File their compliance filing and the Motion said the company inadvertently neglected to file the information. There were no objections to the late filling and the ten day time period for late filing has passed, so the Commission will grant Evergy’s Motion.
