# Green Hills Communications

**New name. New colors. Same commitment.**

We've been known as Citizens for over 100 years. That's a long time, and it represents a tremendous investment of money, work, and trust. And we plan to be here, serving our communities, for another 100 years. We'll simply have a new name, one that reflects our new family.

**Citizens is now Green Hills Communications.**

We're trading in our name and royal blue, but much will remain the same. And what doesn't will be better. The investment of money and work will continue with over \$5 million in network improvements over the next five years, leading to faster and more reliable broadband and an improved quality of life. And, with that, we hope to continue to earn your trust.

**Same great  
customer service**

**Same account  
and billing information**
