**STAFF'S RESPONSE TO
CENTRAL JEFFERSON COUNTY UTILITIES, INC.'S
STATUS REPORT AND MOTION TO DISMISS**

COMES NOW the Staff of the Missouri Public Service Commission and, for its Response to Central Jefferson County Utilities, Inc.'s Status Report and Motion to Dismiss, states to the Missouri Public Service Commission as follows.

On June 7, 2007, Central Jefferson filed a Status Report and Motion to Dismiss in this case, in which it stated that it had completed the transfer of all of its assets to Jefferson County Public Sewer District, as authorized by the Commission's Report and Order in Case No. SO-2007-0071. Central Jefferson further requested that the Commission dismiss this complaint case.

Also on June 7, the Commission ordered the Staff and the Office of the Public Counsel to respond to Central Jefferson's pleading by no later than June 14, 2007. However, on June 14, the Commission suspended the procedural schedule in this case until further notice.

On June 18, the Commission issued an order in Case No. SO-2007-0071, by which it canceled Central Jefferson's certificates of service authority along with the associated tariffs, per Central Jefferson's request. The Commission noted that Central Jefferson no longer provides water or sewer services in the State of Missouri.

The complaint the Office of the Public Counsel filed in this case is therefore moot. The Staff therefore requests that the Commission grant Central Jefferson's motion to dismiss this complaint case.

WHEREFORE, the Staff requests that the Commission grant the request of Central Jefferson County Utilities, Inc. to dismiss the Office of the Public Counsel's complaint herein.

Respectfully submitted,

/s/ **Keith R. Krueger**
