ORDER GRANTING EXTENSION OF TIME

Issue Date: June 25, 2024

Effective Date: June 25, 2024

On November 29, 2023, Spire Missouri Inc. d/b/a Spire (Spire Missouri) filed an application for approval of a Carbon Offset Initiative with associated tariff sheets. On March 13, 2024, the Staff of the Commission (Staff) filed its recommendation that Spire Missouri's application be approved, subject to modifications to the tariff sheets, and with recommended annual reporting of specific information.

On March 25, 2024, Spire Missouri filed its *Response to Staff's Recommendation and Request* in which it agreed to Staff's recommended annual reporting but did not agree to all of the recommended tariff sheet modifications. Spire Missouri requested that the parties be allowed additional time to discuss the tariff sheet modifications, with a status report to be filed no later than May 24, 2024, later extended to June 24, 2024.

On June 24, 2024, Spire Missouri filed a Request for Additional Time. The request seeks an additional week to continue discussions and finalize an agreement.

The Commission finds Spire Missouri's request reasonable and will grant it.

THE COMMISSION ORDERS THAT:

1. Spire Missouri's request for an extension of time is granted. Spire Missouri shall file a resolution or status update no later than July 1, 2024.
2. This order shall be effective when issued.
