Case No. TA-98-575

REPORT REGARDING TARIFFS

COMES NOW MCI metro Access Transmission Services, LLC (MCI metro LLC), an MCI WorldCom company, and pursuant to the Commission's Order Regarding Case Status of July 1, 1999, makes the following Report Regarding Tariffs:

1. On October 27, 1998, the Commission approved MCI metro LLC's application for certificate of service authority in this case.
2. On October 28, 1998, the Commission approved the merger of MCI metro Access Transmission Services, Inc. into MCI metro LLC in Case No. TM-98-576.
3. On February 8, 1999, MCI metro LLC advised the Commission that the merger was completed. At that time, MCI metro Access Transmission Services, Inc. had ceased to exist.
4. On March 2, 1999, MCI metro LLC filed proposed tariffs. On May 14, 1999, after several revisions and extensions, MCI metro LLC's tariffs took effect. MCI metro Access Transmission Services, Inc., never had tariffs. However, the MCI metro LLC tariffs inadvertently contained references to MCI metro Access Transmission Services, Inc.
5. On May 27, 1999, MCI metro LLC filed revised tariffs. The revisions eliminated the inadvertent references to MCI metro Access Transmission Services, Inc.

To the extent necessary, if any, these corrective tariffs served as an adoption and republication of the previous tariffs. These revised tariffs took effect on June 27, 1999.

6. In specific response to the Commission's order of July 1, 1999, MCImetro LLC states that it has in effect Tariffs Nos. 1 and 2 and intends to continue to provide service under these tariffs. As indicated, MCImetro Access Transmission Services, Inc. never had effective tariffs.

7. MCImetro LLC stands ready to provide additional information as needed.

Respectfully submitted,
