

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In the Matter of United Services, Inc.'s     )  
Rate Increase Request                             )             Case No. SR-2024-0206

**PUBLIC COUNSEL'S  
MOTION FOR CUSTOMER NOTICE**

**COMES NOW** the Office of the Public Counsel ("OPC") and respectfully moves the Commission to direct United Services, Inc. to send an additional customer notice, and in support of this motion, states:

1.     The OPC requests the Commission delay a decision on the July 1, 2024, Non-Unanimous Stipulation and Agreement, until customers have been notified of the Commission's Staff's proposed 25% increase and provided a meaningful opportunity to provide comments.

2.     United Services, Inc.'s initial request sought only a \$1 increase, and the notice sent to customers did not provide the amount of any proposed increase. The Company's 347 customers are unaware of the proposal to increase their rates and have not had any opportunity to submit comments regarding that proposed increase.

3.     The OPC requests notice via mail, e-mail, and/or text message that alerts them of the Staff's proposed increase and a 30-day opportunity to submit comments to the Commission regarding the proposal.

WHEREFORE, the Office of the Public Counsel respectfully moves the Commission to order an additional notice and a 30-day comment period, after

which the Commission will consider any comments submitted before issuing its decision on the Non-Unanimous Stipulation.

Respectfully submitted,

/s/ Marc Poston
