Dear Secretary Dippell,

On behalf of Spire Missouri Inc. (“Company” or “Spire”), I am transmitting herewith for electronic filing with the Missouri Public Service Commission (“Commission”), Revised Tariff Sheet No. 21.14, which contains a section of the Index of Certificated Areas within the Spire Missouri West service territory. In the above docket for a Certificate of Convenience and Necessity (“CC&N”) to expand the Company’s service territory within Newton County, the Commission approved Spire’s application for a CC&N and ordered Spire to file an updated tariff sheet incorporating the legal description of the area to be served under the CC&N.

The tariff sheet filed herewith contains an issue date of July 19, 2024, with a proposed effective date of August 18, 2024. A copy of the revised tariff has been sent to the Commission Staff and to the Office of the Public Counsel.

A copy of all correspondence, notices, orders, and other communications in connection with this matter should be furnished to Julie Johnson, Spire’s Manager of Tariffs and Rates, 700 Market Street, St. Louis, MO 63101 (Julie.johnson@spireenergy.com) and to the undersigned counsel for Spire.
