

Affidavit of Truth, Notice of Current Living Status and Standing of the Live Born Woman: ~~shamera-elisa: williams~~

Done by the Light of the Day- ~~two-five~~ September ~~two-zero-two-three~~

MAXIMS:

Actus me invito factus, non est meus actus. An act done by me against my will, is not my act.

Auguria verforum sunt iudice indigna. A twisting of language is unworthy of a judge. Hob. 343.

Bonum iudex secundum aequum et bonum iudicat, et aequitatem stricto juri praefert. A good judge decides according to justice and right, and prefers equity to strict law. Co. Litt. 24.

Cessante causa, cessat effectus. The cause ceasing, the effect must cease.

Communis error facit jus. A common error makes law: What was at first illegal, being repeated many times, is presumed to have acquired the force of usage, and then it would be wrong to depart from it. The converse of this maxim is communis error no facit just. A common error does not make law.

Consensus facit legem. Consent makes the law. A contract is a law between the parties, which can acquire force only by consent.

Quae cohaerent personae estate separari nequeunt. Things which belong to the estate ought not to be separated from the estate. Jenk. Cent. 28

Whoever has eyes, let them see! Whoever has ears let them hear! Let all those present and future be witness to the following record.

Jurisdiction of all matters of the ~~SHAMERA ELISA WILLIAMS~~ estate is under the sole Jurisdiction of a Land Domair Constitutional Probate Court (as opposed to the corporate-fiction codified probate Court) whereas any other court jurisdiction, any attempt to be "executor de som tort" is hereby denied. Any and all consent taken by fraud, coercion, and by any other despicable means is hereby denied and/or rescinded.

The undersigned Live born Woman, ~~shamera-elisa: williams~~ and Occupant of the Office of the Executor of the ~~SHAMERA-ELISA WILLIAMS~~ estate; as a live born woman, does solemnly swear, declare and state as follows:

1. This live born woman is competent to state the matters set forth herein.
2. This live born woman has knowledge of the facts stated herein.
3. All the facts herein are true, correct and complete, admissible as evidence and if called upon as a witness, this "live born woman" with standing upon the land will testify to their veracity.
4. This live born woman is not and has not been lost at SEA/SEE, nor is she deceased.

Affidavit of Truth, Notice of Current Living Status and Standing of the Live Born Woman: ~~shamera-elisa: Williams~~

Hear ye, Hear ye

Take Notice: To all fictions, conveyance entities, corporations, and non-living entities (of the SEA/SEE) and/or their representatives without standing upon the land. This is a declaration of a living Birth, of the Live Woman commonly known upon the land and among the living as shamera-elisa: williams, living born daughter of the "physical union" between the "physical corporeal father" and his "physical corporeal mother" of the house/clan/family of williams of which both have physical standing upon the land. Who is not lost at SEA/SEE, nor has abandoned/Vacated the office of the Executor for Affidavit of Truth, Notice of Current Living Status and Standing of the Live Born Woman: shamera: elisa: williams the SHAMERA ELISA WILLIAMS, estate. As shamera-elisa: williams has returned from the dead, no office, fictional entity, corporation, person, or officers possess any lawful rights or consent to operate as administrators/occupying the office of the Executor for the SHAMERA ELISA WILLIAMS estate other than the rightful Occupant of the Executors Office.

This affidavit-declaration of life is given to all in order to establish, signify, proclaim, and verify the status of this live woman and to eliminate/deny all presumptions by any fiction, corporate or private and any alleged claimed jurisdiction without standing upon the land.

For as the Creator is the giver of spiritual life and the creator of man/woman in body and form, and whereas man is the creator and giver of life to the paper fiction known as the Person, Corporation, Citizen, and other non-living transmitting entities of fictional nature. Man cannot rule over the creator any more than a created fictional paper entity can rule over its creator the living born Woman... "shamera - elisa: williams" is a living, corporeal, breathing, live born woman with footprints in the sand and therefore is not/cannot be under the jurisdiction of a man created fiction...

Lawyers, Judges, Court Clerks, and all fictional corporate/non-corporeal entities--- When you address birthright Citizens of the Continental United States in the foreign jurisdiction of the Federal United States or that of a Federal State, and deliberately confuse living corporeal people with corporate franchises merely named after them, you commit peonage. This results in press-ganging land assets into the international jurisdiction of the sea, a crime outlawed worldwide for 200 years. Mischaracterizing the identity or citizenship status of a birthright Citizen of the Continental United States is also a crime under the Geneva Protocols of 1949, Volume II, and is in violation of the Universal Declaration of Human Rights (UDHR) a treaty signed in Paris on 10 December 1948 General Assembly resolution 217 A ... Anyone claiming to be a Live born member of the Continental United States having a valid proof of birth within the Continental United States must be treated/recognized as such (A Live Born Man/Woman and not a fiction entity.).

This is to testify and notify all persons, corporations, fictions that the Live born Woman shamera-elisa: williams is not and has never freely consented to be the surety of the created fiction or the trustee of the SHAMERA ELISA WILLIAMS estate created by and through the Cestui Que Vie Trust Act of 1666 as verified by the fiction entity document known as the "Certificate of Birth" issued by the Federal fiction "State of Missouri" and Registered by the fiction agency created by and subordinate to the fiction State of Missouri. The Live Born Woman, rightful Executor of the SHAMERA ELISA WILLIAMS, estate does not, has never, and would never knowingly or by conscious design, give consent to be the surety of the state created fiction in any variation or form.

This is to notify all persons, Judges, Lawyers, corporations, fictions and/or their representatives: that any and all contracts made without the live woman's knowing and active consent, whereas consent was obtained through subterfuge, coercion, deceit, manipulation, falsifying of the facts, non-disclosure, adhesion, hypothecation, et. cetera; whereas the live woman would have normally rejected any unconscionable contract and would not have consented to any such contracts: whereas any and all contracts are hereby declared to be null and void ad infinitum.

This physical body that I (the spirit of shamera-elisa: williams) reside within, given to this one by the great creator of all, is a reflection of the spirit whereas the spirit does not belong to or stand under any earthly corporation, religion, or fictional organization.

Further, this body being of the species currently known as human being, or Homo Sapien; however originally created or obtained to house my spirit, does not belong to, or is the property of any earthly corporation, religion, organization, or other species, or any fiction.

This body is the vehicle for the living spirit to operate, interact and interface within this domain and physical dimension and cannot be and is denied to be claimed by any fiction, government, religion, corporation, species, et cetera.

The combination and temporary unification of my free-living spirit and the free-living body given to me by the creator, constitutes the domain of a free-living corporeal entity upon this created earth.

I shamera-elisa: williams am a living being with an incorruptible body which is my possession by natural birth and my vehicle during this lifetime upon this earth.

As one spirit can touch another spirit; one body can also touch another corporeal body and all material substances within this created domain. This live spirit and live body unified as one, has standing upon the land as such; when it walks upon the land, physical footprints are left behind proving physical standing against any fiction that has no footprints of standing and can never have footprints of standing upon the land, nor can a fiction without spirit (corporation or court) physically touch or stand in judgment of a Live Born Woman intentionally and specifically without his full knowledge and consent.

Know all by these facts:

- A fiction created by a fiction or by other living woman does not have a spirit,
- A fiction created by a fiction or by other living woman does not have standing upon the land,
- A fiction created by a fiction or by other living woman cannot speak,
- A fiction created by a fiction or by other living woman does not have claim to the living,
- A fiction created by a fiction or by other living woman does not have jurisdiction over the living,
- A fiction created by a fiction or by other living woman cannot have jurisdiction or authority over a creator of fiction,
- A fiction by itself is not animated and has no actual life-force of its own as it is a creation of the dead.
- A fiction by itself cannot place an autograph, it cannot reproduce, it cannot breathe, it cannot speak on its own.

- A dead fiction entity can only be created without life therefore it cannot ever be equal or greater than the live born woman; in the same way that the spirit of woman was created by the one beyond her or her creator, man does not and cannot have control, authority or jurisdiction over her spirit creator. Therefore, a man created fiction cannot have jurisdiction over the live born woman.
- No living man can claim or presume superiority, authority, or dominion over another living woman as they are equals in standing upon this created earth.
- No other living entity, not created or born of this earth, can presume superiority, authority or dominion over this living woman as all living entities are created by the creator and are of equal standing in the eyes of the creator (regardless of their level of technology or biological determination within this plane of existence).
- In like fashion, a fiction therefore cannot presume or assume authority or control over its creator or the living woman.
- All presumptions of fictions, statute tribunals, and any other claims are hereby denied, challenged, demurer, embargoed, excluded at this and all times in the present and future.

And ...

Let it be announced and acknowledged to the world and all corners of the earth and all jurisdictions of the world, inclusive corporeal and non-corporeal, to take notice: that I, shamera-elisa williams; is a living natural born woman with footprints in and upon the soil/sand of this and one of the land of this created planet known as the Earth. That I am not a creature, animal, surety, fiction, chattel, slave, 14th amendment person/federal citizen, or is subject to, or is of the SEE (SEA). **I do not live in Washington DC.**

This living woman has not been lost at SEA/SEE, and is not dead/deceased, or a decedent: this fact is for all to take notice from the greatest to the lesser of all living men. Having been brought forth into this domain by living natural birth and whose physical body entered this world through my mother, whereas her body came from her mother Ad infinitum; "A die confection is" to the first birth manifested by our creator. That I am the live born daughter of my live born father who also had standing having been received into and bestowed with the pedigree of the family/clan "williams" upon this earth. The house/pedigree of williams is a testament of live born women with standing dating back to the first live born man traditionally known as Adam bestowed with standing and a corporeal body as a gift from our creator.

It is of no consequence that the body may have been created by or through genetic manipulation or manufactured by others in its original form, whereas the spirit that inhabits the body which is what gives the body actual animation and life is that of the creators and cannot be manipulated, subjected, or destroyed by any other than that creator. Whereas a fiction created by man or fiction cannot have or hold a spirit and is indeed a dead thing without any life-force of standing against alive born woman.

Let no man or fiction attempt by force, by fraud, by ill-conceived contract, by adhesion, or hypothecation, or by any other despicable means attempt to mask, control, destroy, or subvert this live born spirit/woman into unwilling or unknowing consent to give up her spirit-creator given natural freedoms, natural rights, and liberties. This live born woman's spirit-creator given rights, natural rights, liberties and standing cannot be controlled, taken, or stolen by subversion, subterfuge, bad faith, novation, subrogation, deceit, pretense, superseded, abolished, or through non-consent, fraud or any other means, and placed under the authority and jurisdiction of any dead man, non-spirit filled or non-animated fiction known as a transmitting entity, person, citizen, corporation, Ad infinitum.

Affidavit of Truth, Notice of Current Living Status and Standing of the Live Born Woman, shamera-elisa williams

Let all men know from this point forward to know and acknowledge that ~~shamera-elisa~~
~~williams~~ is indeed a live born spirit-woman, currently not deceased or lost at SEA/SEE, who
has proven standing upon the land.

Note: The name of the live born woman as given is based upon the name given to the live born child
by the live parent into the name of the family or the clan known in this case as the Family of Williams.
This is not associated in any way with the statutory created fiction or estate with the same name.

Natural rights are those Inalienable rights not contingent upon the laws, customs, or beliefs of any

SOVEREIGNTY AFFIDAVIT OF TRUTH

Be it known to all who call themselves "government," their "courts," agents, corporations and other parties, that I, Sha'Mera-Elisa: Williams, sui juris © am a natural, freeborn sovereign individual, without subjects.

I am neither subject to any entity anywhere, nor is any entity subject to me. I neither dominate anyone, nor am I dominated. I am not a "person" as defined in commercial "statutes" when such definition includes "artificial entities."

I refuse to be treated as a "federally" or "state" created entity which is only capable of exercising certain rights, privileges, or immunities as specifically "granted" by "federal" or "state" "governments." I, Sha'Mera-Elisa: Williams sui juris © am created by GOD alone and subject only to my true Creator, GOD.

I am not a fictitious corporate entity, or public office holder using any fraudulent government-created, upper case name [SHAMERA ELISA WILLIAMS] that resembles my natural name. This upper case fictional identity was forged for illegal commercial gain from a birth certificate, without full disclosure and without my consent or my mother's consent. I may voluntarily choose to comply with the "laws," which others attempt to impose upon me, but not such "laws," nor their "enforcers," have any authority over me. I am not in any "jurisdiction" for I am not of subject status.

Unless I have willfully harmed or violated someone or someone's property without their consent, I have not committed any crime, and am therefore not subject to any penalty. Thus, be it known to all, that I reserve my natural right not to be compelled to perform under any "contract" that I did not enter into knowingly, voluntarily, and intentionally.

Furthermore, I do not accept the "liability" associated with the compelled and pretended "benefit" of any hidden or unrevealed "contract" or "commercial agreement." As such, the hidden or unrevealed "contracts" that supposedly create "obligations" to perform, for persons of subject status, are inapplicable to me, and are null and void. If I have participated in any of the supposed "benefits" associated with these hidden "contracts," I have done so under duress, for lack of any other practical alternative. I may have received such "benefits" but I have not accepted them in a manner that binds me to anything.

Any such participation does not constitute "acceptance," because of the absence of full disclosure of any valid offer, and voluntary consent without misrepresentation or coercion. Without a valid voluntary offer and acceptance, knowingly entered into by both parties, there is no "meeting of the minds," and therefore no valid contract. Any supposed "contract" is therefore void, from the beginning. From my age of consent to the date affixed below I have never signed a contract knowingly, willingly, intelligently, voluntarily, and intentionally whereby I have waived any of my natural inherent rights, and, as such, take notice that I revoke, cancel, and make void from the beginning my signature on any and all "contracts," "agreements," "forms," or any "instrument" which may construed in any way to give any agency or department of any "government" any "authority," "venue," or "jurisdiction" over me. Typical examples of such compelled and pretended "benefits" are:

1. "Birth Certificate": The fact that a "birth certificate" was issued to me by a local hospital or "government" agency when I was born, is irrelevant to my sovereignty. No status, high or low, can be assigned to another person through a piece of paper, without the recipient's full knowledge and consent. Therefore, such a piece of paper provides date and place information only. It indicates nothing about "jurisdiction," nothing about property ownership, nothing about rights, and nothing about subject status. The only documents or commercial contracts that can have any significance, as it concerns my status in

society, are those which I have signed as an adult, with full knowledge and consent, meeting true requirements of an "enforceable" contract, free from non-disclosure, misrepresentation, or coercion of any kind.

2. The use of national currency to discharge my debts: I have used these only because there is no other widely recognized currency.

3. The use of a bank account: If there is any hidden "contract" behind an account, my signature therewith gives no validity to it. The signature is only for verification of identity. I cannot be obligated to fulfill any hidden or unrevealed "contract" whatsoever, due to the absence of full disclosure and voluntary consent. Likewise, my use of the bank account is due to the absence of an alternative. To not use any bank at all is very difficult and impractical.

4. The use of a "driver's license": There is no real need for me to have such a "license" for travelling in a car. However, if I am stopped for any reason and found to be without a "license," it is likely I would be unduly harassed and penalized. Therefore, under duress, I carry a "license" only to avoid extreme inconvenience:

5. "State plates" on my car: Similarly, if I have "registered" my car with the "state" and carry the "state plates" on it, I have done so only because to have any other "plates" or no "plates" at all, causes me to run the risk of "police officer" harassment and extreme inconvenience.

6. The use of a "passport": There is no real need for me to have a "passport" (or other associated "permits," "visas," etc.) to travel. I have the right to travel without hindrance, wherever, however, and whenever I wish, so long as I do not encroach upon the private property of others. Though without a "passport," my right to travel is unduly hindered. Therefore, under duress, I only use a "passport" to prevent extreme inconvenience and to ensure that I can travel from one "country" to another at all.

7. Past "filing" of "tax returns": Because such "tax returns" were "filed" under threat, duress, and coercion, and no two-way contract was ever signed with full disclosure, there is nothing in any past "filing" of "tax returns" or payments that created any valid contract. Therefore, no obligation on my part was ever created.

8. Past "enrolment" and "voting": Similarly, since no obligation to perform in any manner was ever revealed in print, as part of the "requirements" for the supposed "privilege" to "enroll" and "vote," any such "enrolment" or "voting" does not oblige me to do anything, nor grant any "jurisdiction" over me to anyone.

9. "Citizenship": Any document I may have ever signed, in which I answered "yes" to the question, "Are you a UNITED STATES citizen?" - cannot be used to compromise my status as a sovereign, nor obligate me to perform in any manner. This is because without full written disclosure of the definition and consequences of such supposed "citizenship," provided in a document bearing my signature given freely without misrepresentation or coercion, there can be no binding contract. I am not a "UNITED STATES citizen." I am not a "resident of," an "inhabitant of," a "franchise of," a "subject of," a "ward of," the "property of," the "chattel of," or "subject to the jurisdiction of" any "monarch" or any corporate "commonwealth," "federal," "state," "territory," "county," "council," "city," "municipal body politic," or other "government" allegedly "created" under the "authority" of a "constitution" or other "enactment." I am not subject to any "legislation," department, or agency created by such "authorities," nor to the "jurisdiction" of any employees, officers, or agents deriving their "authority" therefrom. Nor do any of the "statutes" or "regulations" of such "authorities" apply to me or have any "jurisdiction" over me. Further, I

am not a subject of any "courts" or bound by "precedents" of any "courts," deriving their "jurisdiction" from said "authorities."

Take notice that I hereby cancel and make void from the beginning any such "instrument" or any presumed "election" made by any "government" or any agency or department thereof, that I am or ever have voluntarily elected to be treated as a subject of any "monarch" or a "[insert name of "country" here] citizen," or a "resident" of any "commonwealth," "state," "territory," "possession," "instrumentality," "enclave," "division," "district," or "province," subject to their "jurisdiction(s)."

10. "Constitution": The document supposedly setting forth the foundations of a "country" and "its" "government," has no inherent authority or obligation. A "constitution" has no authority or obligation at all, unless as a contract between two or more individuals, and then it is limited only to those individuals who have specifically entered into it: At most, such a document could be a contract between the existing people at the time of its creation, but no-one has the right, authority, or power to bind their posterity. I have not knowingly, voluntarily and intentionally entered into any such "constitution" contract to oblige myself thereby, therefore such a document is inapplicable to me, and anyone claiming to derive their "authority" from such a document has no "jurisdiction" over me.

11. Use of semantics: There are some immature people with mental imbalances, such as the craving to dominate other people, who masquerade as "government," and call the noises and scribbles that emanate from their mouths and pens "the law" which "must be obeyed." Just because they alter definitions of words in their "law" books to their supposed advantage, doesn't mean I accept those definitions. The fact that they define the words "person," "address," "mail," "resident," "motor vehicle," "driving," "passenger," "employee," "income," and many others, in ways different from the common usage, so as to be associated with a subject or slave status, means nothing in real life. Because the "courts" have become entangled in the game of semantics, be it known to all "courts" and all parties, that if I have ever signed any document or spoken any words on record, using words defined by twists in any "law" books different from the common usage, there can be no effect whatsoever on my sovereign status in society thereby, nor can there be created any "obligation" to perform in any manner, by the mere use of such words. Where the definition in the common dictionary differs from the definition in the "law" dictionary, it is the definition in the common dictionary that prevails, because it is more trustworthy.

Such compelled and supposed "benefits" include, but are not limited to, the aforementioned typical examples. My use of such alleged "benefits" is under duress only, and is with full reservation of all my natural inherent rights. I have waived none of my intrinsic rights and freedoms by my use thereof. Furthermore, my use of such compelled "benefits" may be temporary, until alternatives become available, practical, and widely recognized.

REVOCATION OF POWER OF ATTORNEY

I hereby revoke, rescind, cancel, and make void from the beginning, all powers of attorney, in fact or otherwise, implied in "law" or otherwise, signed either by me or anyone else, as it pertains to any "tax file/identification number" and/or "social security number" assigned to me, as it pertains to my "birth certificate," and as it pertains to any and all other numbers, "licenses," "certificates," and other "instruments" issued by any and all "government" and quasi-"governmental" departments or agencies, due to the use of various elements of fraud by said agencies to attempt to deprive me of my sovereignty and/or property. I hereby waive, cancel, repudiate, and refuse to knowingly accept any alleged "benefit" or "gratuity" associated with any of the aforementioned numbers, "licenses," "certificates," and other "instruments." My use of any such numbers, "licenses," "certificates," or other "instruments" has been for information purposes only, and does not grant any "jurisdiction" to anyone. I do hereby revoke and rescind all powers of attorney, in fact or otherwise, signed by me or otherwise, implied in "law" or otherwise, with or without my consent or knowledge, as it pertains to any and all property, real or personal, corporeal or incorporeal, obtained in the past, present, or future. I am the sole and absolute owner and possess allodial title to any and all such property.

Take notice that I also revoke, cancel, and make void from the beginning all powers of attorney, in fact, in presumption, or otherwise, signed either by me or anyone else, claiming to act on my behalf, with or without my consent, as such power of attorney pertains to me or any property owned by me, by, but not limited to, any and all quasi/colorable, public, "governmental" departments, agencies or corporations on the grounds of constructive fraud, concealment, and nondisclosure of pertinent facts. I affirm that all of the foregoing is true and correct. I affirm that I am competent to make this Affidavit. I hereby affix my own signature to all of the affirmations in this entire document with intentionally, and without misrepresentation, duress, or coercion. The use of notary below is for identification only, and such use does not grant any "jurisdiction" to anyone.

A PRIVATE CITIZEN OF THE UNITED STATES OF AMERICA

Constitution of the United States of America

Sha'Mera-Elisa of Williams American National

+++++
Declaration of Status of Sha'Mera-Elisa Williams Pre 1933 Private American National Citizen of the United States of America, and Declaration of Mistake

I, Sha'Mera-Elisa of the family Williams, a creation of the Supreme Creator (God), in esse and sui juris, have reached the age of majority, am of sound mind and competent to testify, do hereby declare the following truths to the best of my knowledge and belief:

Maxims: "Equity regards as done that which ought to have been done." Equity will not aid a volunteer Equity will not complete an imperfect gift Equity will not suffer a wrong to be without a remedy Equity will not permit a statute to be used as an instrument of fraud an un-rebutted Declaration point by point stands as Truth Coming in peace, and granting peace to all men

Accordingly, I, Sha'Mera-Elisa Williams sui juris, affiant formally known as SHAMERA ELISA WILLIAMS in some cases, in essence and sui juris, good reason and good conscience, hereby make oath, depose and declare that the following facts are true, correct and complete to the best of my knowledge and belief.

I, Sha'Mera-Elisa Williams sui juris, do solemnly declare and affirm the following historical facts and distinctions with regard to the status of de jure Private American National Citizenship (said original federal citizenship, secured by Article IV, Section 2 of the Constitution for the United States of America, having been broadened into national citizenship by Section 1 of the 14th Amendment to the Constitution of the United States of America) and on the other hand, a State-created, statutory, de facto Public "U.S. citizenship" as a basis enabling a correction of mistake by this Declaration.

This de facto Public U.S. citizenship, being in substance likened to a privileged Roman citizenship, would enable the constitutionally de jure civilian government of the United States (having been constitutionally altered from being a de jure "Federal" government to a de jure "National" government by the 14th Amendment, 1868) to be replaced with a Congressionally-created, statutory, de facto Emergency War-Powers military government of the United States on March 9, 1933,

This current de facto government in many ways has in fact replaced the constitutional, de jure jurisdiction of the United States, the "United States" being the collective name of the states which are united by and under the

DECLARATION OF STATUS of Sha'Mera-Elisa Williams Private American National Free Woman

constitution, "(Hooven & Allison Co. v. Evatt, 324 U.S. 652, 672), replacing it with a de facto jurisdiction of the United States", (Hooven & Allison Co. v. Evatt, supra, 671). This in effect then, leaves only exclusive/American Equity Jurisdiction operable for remedies required by the Private American National Citizen, the posterity of the People that created these United States.

Further, that unilateral contract was the application for birth certificate/ public filing of a "Certificate of Live Birth". The American application for birth certificate "Certificate of Live Birth" -by operation of law—would be the contract to alter de jure Private American National Citizenship to de facto Public "U.S. citizenship". With this presumption of fact of an existing contract held by every individual Public "U. S. citizen" (holding its Private American National Citizen of the United States of Banking Relief Act", in its initial paragraphs containing a congressionally-amended WWI statute known as "Trading with the Enemy Act" and codified as 12 USC 95(a), and secondly by then President Franklin D. Roosevelt's Emergency War Powers Proclamation 2040 decreed on March 9, 1933;

1. Declarant is the Divine Spirit incarnate as woman. There is no proof to the contrary;
2. Declarant was born alive on the geographic location body known as Missouri Republic. There is no proof to the contrary;
3. Declarant does not consent to being a U.S. Citizen nor any citizen of any corporate body politic on Earth and as such is alien to the jurisdiction of the United States. There is no proof to the contrary;
4. Declarant is always in Peace and Honor as an American National whereas Declarant is not an enemy, belligerent, rebel or terrorist subject to the Trading with The Enemy Act of October 6, 1917, the Emergency Banking Relief Act of March 9, 1933, the Patriot Act of October 26, 2001 or any other public policy and/or statute of the United States or its subsidiary States, possessions or territory. There is no proof to the contrary;
5. Declarant does not consent to any express or implied contracts, trust indentures, trust instruments, bailment agreements and/or any agreements made either publicly or privately with any natural or artificial person and hereby terminates all agreements on the grounds they were previously signed by Declarant under threat, duress, incompetence or without full disclosure wherefore Declarant hereby declares all said contracts null and void nunc pro tunc ab initio. There is no proof to the contrary;
6. Declarant does not reside on any Federal land lawfully ceded to the United States of America, the United States or any territory possession thereof. There is no proof to the contrary;
7. Declarant is NOT property of, surety for or joined with SHAMERA ELISA WILLIAMS; Shamera Elisa Williams; WILLIAMS, SHAMERA ELISA; Williams, Shamera Elisa; Shamera WILLIAMS; WILLIAMS, shamera; or any derivation of that name either in spelling or capitals and when in public goes only by the name Sha'Mera-Elisa of the family Williams. There is no proof to the contrary;

WHEREAS, upon the public filing of the BIRTH CERTIFICATE with its attached Private American Citizen serving as Surety and personal property, another "source" was created that would generate "income" which could then be income/excise/privileged taxed; the natural person/baby/Private American National Citizen now wedded to his new artificial person / "U.S. Citizen" as its property and subordinate Surety, the new "source" (deemed a "rebel" and "belligerent" residing according to state statute in a state deemed an "occupied territory") being in commerce and subject to the absolute legislative powers of the "temporary" Emergency War Powers Congress (1933-present) to regulate without limited interstate and foreign commerce pursuant to Article 1, Section 8, Clause 3, of the "United States Constitution" during this time of a "temporary" declared state of National Emergency now 2016 in its eighty-third year;

DECLARATION OF STATUS of Sha'Mera-Elisa: Williams Private American National Free Woman

WHEREAS, Affiant, a Private American National Citizen, has presently ceased to be Surety for the personal property of the Public "U.S. citizen" SHAMERA ELISA WILLIAMS" by means of a duly filed "Release with Consideration Nunc Pro Tunc Ab Initio", and "Rescission of Signatures of Surety Ship, Nunc Pro Tunc Ab Initio", thereby returning to the former status of being a Private American National Citizen held for less than twenty (20) days after infants' natural birth:

8. Affiant in essence has irrevocably separated himself from the state-created FRANCHISE, CORPORATE SOLE, "United States citizen", which was created by means of a publicly filed BIRTH CERTIFICATE. Affiant hereby revokes all powers, including but not limited to, Powers of Attorney and/or Agency that Affiant may have granted to any third party, public and/or private. Therefore, Affiant does not consent and is not a party to FDR's contract with all "U.S. citizens" by means of Proclamation 2040 confirmed and approved by Congress in its passage of the "Emergency Banking Relief Act" and then thereby amending the trading With the Enemy Act*. Therefore, Affiant is not in commerce (as are corporations), never to enjoy any commercial privilege of limited liability as a matter of "United States citizenship" status (as do corporations being Public U.S. citizens); having discharged all de facto Emergency War Power Military Governments, federal and state, from any duty or obligation arisen from Affiant being the Property/Surety for and/or wedded to the state-created hybrid, the federally owned Public "U.S. citizen" in service of Washington D.C., for commerce and war.

WHEREAS, I, Sha'Mera-Elisa Williams sui juris, have returned to my former status of being an American Freeman and an American National in Equity, i.e. de jure Private National Citizen of the United States under Section 1 of the 14th Amendment and therefore stand "in personam", "in essence", and "sui juris"; possessing all God-given unalienable rights including those protected by the first eight amendments of the Bill of Rights, all Constitutional rights (federal and state) and all common Law rights of a de jure Private Citizen of the United States/American National, no longer under the legal disability of being the Property/Surety for and/or wedded to a de facto, state-created, Public "U.S. citizen" owned by the de facto Military Government of the United States;

WHEREAS, I, Sha'Mera-Elisa Williams sui juris, am no longer the Property/Surety for and/or wedded to a de facto Public U.S. citizen" (which is "alien juris"), therefore, no longer under the de facto jurisdiction a power of statutorily-created, de facto Emergency War Powers Governments (federal and state) as those absolute legislative, absolute executive, and absolute judicial powers are exercised towards a de facto Public "U.S. citizen" deemed a "rebel and belligerent" statutorily "residing" in a state deemed "occupied territory", and therefore no longer under the paternal guardianship of de facto Emergency War Powers Governments (federal and state) as those absolute, paternal powers are exercised toward sits "infants, children and wards", and the de facto Public U.S. citizens"; And so Sha'Mera-Elisa Williams sui juris, aka SHAMERA ELISA WILLIAMS, hereby present my renunciation, as to any implied allegiance to the de facto, "United States", citizen" (artificial person/"U.S. citizen") of the sovereign, de facto Military Government of the United States for income/excise/privilege tax purposes.

9. My flags, national and state, are not military colors bordered with gold fringe and/or draped with gold cords with gold tassels.

10. I am not a rebel, belligerent or enemy publicly residing within a conquered territory of the "United States" (the territory over which the sovereignty of the United States exists", Hooven, supra p 671), its sovereign, de facto; Military Government having been created by FDR's presidential proclamation 2040 approved and confirmed by Congress, "Emergency Banking Relief Act" (12 USC 95b); which act also was amended (via 12 USC 95a) the "Trading with the Enemy Act" (SO USC App, S(b), on March 9, 1933.

11. I do not publicly reside according to state statute within a conquered territory or within a federal military district of the geographical Republic of the United States of America (composed of the fifty states): My special, private and confidential location, of living in Equity, on the land of the County of Jackson County may be mailed service at: Sha'Mera-Elisa Williams sui juris; American National Private Citizen of the United States of America Private Citizen of the Republic of Missouri; Nation Missouri, General delivery Kansas City, Zip accepted near (64132-2072)

DECLARATION OF STATUS of Sha'Mera-Elisa Williams Private American National Free Woman

12. I do not publicly reside according to statute within any of the ten regions of the geographical United States of America designated by Zip codes of the Federal Zone Improvement Project begun in 1963 and take exception to whenever and wherever possible in the use of either a ZIP code or a Postal code, both being synonymous.

13. Declarant acknowledges and accepts the Uniform Commercial Code definition of "registered organization" in Article 9-102(a) (71) as "means an organization organized solely under the law of a single State or the United States by the filing of a public organic record with, the issuance of a public organic record by, or the enactment of legislation by the State or the United States." There is no proof to the contrary;

14. Declarant acknowledges and accepts the Uniform Commercial Code definition of "goods" in Article 9-102(a)(44)(iii) as "the unborn young of animals." There is no proof to the contrary;

15. Declarant acknowledges and accepts the Black's Law 7th Ed. dictionary definition of "best evidence" as "evidence of the highest quality available, as measured by the nature of the case rather than the thing offered as evidence... See BEST-EVIDENCE RULE." There is no proof to the contrary;

16. Declarant hereby resigns all assumed, presumed, or express agency with any legal fiction public and private corporate bodies, governments, associations et. al. There is no proof to the contrary;

17. Declarant hereby appoints: Shamera-Elisa: Williams sui juris to the position of General Executor for the shamera ELISA WILLIAMS; Estate. There is no proof to the contrary;

Take notice: that I revoke, cancel, and make void from the beginning my signature on any and all "contracts," "agreements," "forms," or any "instrument" be construed in any way to give any agency or department of any "government" any "authority," "venue," or "jurisdiction" over me.

Typical examples of such compelled and pretended "benefits" are:

18. The use of national currency to discharge my debts: I have used these only because there is no other widely recognized currency;

19. The use of a bank account: If there is any hidden "contract" behind an account, my signature therewith gives no validity to it. The signature is only for verification of identity. I cannot be obligated to fulfill any hidden or unrevealed "contract" what so ever, due to the absence of full disclosure and voluntary consent. Likewise, my use of the bank account is due to the absence of an alternative. To not use any bank at all is very difficult and impractical.

20. The use of a "driver's license": There is no real need for me to have such a "license" for travelling in a car. However, if I am stopped for any reason and found to be without a "license," it is likely I would be unduly harassed and penalized. Therefore, under duress, I carry a "license" only to avoid extreme inconvenience.

21. "State plates" on my car: Similarly, if I have "registered" my car with the "state" and carry the "state plates" on it, I have done so only because to have any other "plates" or no "plates" at all, causes me to run the risk of "police officer" harassment and extreme inconvenience.

22. The use of a "passport": There is no real need for me to have a "passport" (or other associated "permits," "visas," etc.) to travel. I have the right to travel without hindrance, wherever, however, and whenever I wish, so long as I do not encroach upon the private property of others. Though without a "passport," my right to travel is unduly hindered. Therefore, under duress, I only use a "passport" to prevent extreme inconvenience and to ensure that I can travel from one "country" to another at all.

DECLARATION OF STATUS of Sha'Mera-Elisa: Williams Private American National Free Woman

23. Past "filing" of "tax returns": Because such "tax returns" were "filed" under threat, duress, and coercion, and no two-way contract was ever signed with full disclosure, there is nothing in any past "filing" of "tax returns" or payments that created any valid contract. Therefore, no obligation on my part was ever created.

24. "Citizenship": Any document I may have ever signed, in which I answered "yes" to the question, "Are you a UNITED STATES citizen?" cannot be used to compromise my status as a sovereign, nor obligate me to perform in any manner. This is because without full written disclosure of the definition and consequences of such supposed "citizenship," provided in a document bearing my signature given freely without misrepresentation or coercion, there can be no binding contract. I am not a "UNITED STATES citizen." I am not a "resident of," an "inhabitant of," a "franchise of," a "subject of," a "ward of," the "property of," the "chattel of," or "subject to the jurisdiction of" any "monarch" or any corporate "commonwealth," "federal," "state," "territory," "county," "council," "city," "municipal body politic," or other "government" allegedly "created" under the "authority" of a "constitution" or other "enactment." I am not subject to any "legislation," department, or agency created by such "authorities," nor to the "jurisdiction" of any employees, officers, or agents deriving their "authority" therefrom. Nor do any of the "statutes" or "regulations" of such "authorities" apply to me or have any "jurisdiction" over me. Further, I am not a subject of any "courts" or bound by "precedents" of any "courts," deriving their "jurisdiction" from said "authorities."

Take notice: that I hereby cancel and make void from the beginning any such "instrument" or any presumed "election" made by any "government" or any agency or department thereof, that I am or ever have voluntarily elected to be treated as a subject of any "monarch" or a "[insert name of "country" here] citizen," or a "resident" of any "commonwealth," "state," "territory," "possession," "instrumentality," "enclave," "division," "district," or "province," subject to their "jurisdiction(s)."

25. Use of semantics: There are some immature people with mental imbalances, such as the craving to dominate other people, who masquerade as "government," and call the noise and scribbles that emanate from their mouths, and pens "the law" which "must be obeyed." Just because they alter definitions of words in their "law" books to their supposed advantage, doesn't mean I accept those definitions. The fact that they define the words "person," "address," "mail," "resident," "motor vehicle," "driving," "passenger," "employee," "income," and many others, in ways different from the common usage, so as to be associated with a subject or slave status, means nothing in real life. Because the "courts" have become entangled in the game of semantics, be it known to all "courts" and all parties, that if I have ever signed any document or spoken any words on record, using words defined by twists in any "law" books different from the common usage, there can be no effect whatsoever on my sovereign status in society thereby, nor can there be created any "obligation" to perform in any manner, by the mere use of such words. Where the definition in the common dictionary differs from the definition in the "law" dictionary, it is the definition in the common dictionary that prevails, because it is more trust worthy. Such compelled and supposed "benefits" include, but are not limited to, the aforementioned typical examples. My use of such alleged "benefits" is under duress only, and is with full reservation of all my natural inherent rights. I have waived none of my intrinsic rights and freedoms by my use thereof. Furthermore, my use of such compelled "benefits" may be temporary, until alternatives become available, practical, and widely recognized.

26. "Constitution": The document supposedly setting forth the foundations of a "country" and "its" "government," has no inherent authority or obligation. A "constitution" has no authority or obligation at all, unless as a contract between two or more individuals, and then it is limited only to those individuals who have specifically entered into it. At most, such a document could be a contract between the existing people at the time of its creation, but no one has the right, authority, or power to bind their posterity. I have not knowingly, voluntarily and intentionally entered into any such "constitution" contract to oblige myself thereby; therefore such a document is inapplicable to me, and anyone claiming to derive their "authority" from such a document has no "jurisdiction" over me.

DECLARATION OF STATUS of Sha'Mera-Elisa Williams Private American National Free Woman

27. Children in public school: The attendance of my children in government supported "public" schools or government controlled "private" schools does not create any legal obligation for me, nor any other legal obligation, because I never signed a contract agreeing to such obligation for the supposed "privilege" of public-school attendance. If any of my children have attended government supported "public" or controlled "private" schools, such was done under duress and not out of free will. Be it known that I regard "compulsory state education" as a violation of the thirteenth Amendment to the U.S. Constitution, which states in relevant part "Either slavery nor involuntary servitude, except as a punishment for crime whereof the party shall have been duly convicted, shall exist within the United States, or any place subject to their jurisdiction."

28. Use of the 2-letter state code and zip code: My use of the 2-letter state code and zip code in my "address," which is secretly codified to indicate United States "federal (one)" jurisdiction, has no effect whatsoever on my Sovereign status. Simply by receiving or sending "mail" through a quasi-federal messenger service, the postal service, at a location indicated with a 2-letter state code and zip code, cannot place me under federal jurisdiction or obligation. Such a presumption would be ludicrous. I use these codes only for the purposes of information and making it more efficacious for the U.S. Postal Service to deliver my mail.

29. The use of a Social Security number: The number normally assigned to persons of subject status, I use exceptionally, under duress, only because of the extreme inconvenience of operating without one in today's marketplace, where it is requested by banks, employers, lenders, and many other government agencies and businesses. My reason for using it is not because I wish to participate in the Social Security system, as I don't wish to participate. Let it be known that I use the Social Security number assigned to me for information only.

30. Marriage license: The acquisition of a marriage license is now being revealed as being unnecessary only for slaves. The act of a Sovereign such as myself obtaining such a license, through social custom and ignorance of law, has no legal effect in changing my status; this is because any such change in status, if any may be supposed to occur, could happen only through a hidden and unrevealed contract or statute. Since no hidden, unrevealed, and undisclosed information, if it exists, can be lawfully held to be binding, it is null and void.

Further, I, Sha'Mera-Elisa Williams of in essence and sui juris, make oath, do solemnly declare and affirm the following specific negative averments:

1. Whereas a mistake made by my natural parents in unknowingly subjecting me, while yet a baby, to the intentions and jurisdiction of this aforesaid temporary de facto government that they misunderstood, and now hold such mistaken act as unconscionable by their own admission?
2. Am I not free, under the rules of English American Equity, to correct a mistake for the regard of my own interest?
3. Can I not now choose by my free will act to properly correct my status by way of this declaration, for the intention of having proper and peaceful relations with all men?
4. Are not all of the aforesaid averments made in this declaration true regarding who I am, and who I am not being?
5. Are my own parents both not also in the process of a similar status correction action regarding their own interests?
6. Is it not my intention to see it that my own husband and children have the same proper status as myself, and does our identity belong on the U.S. "Do not Detain Do not Arrest List"?

Further and Finally:

I, Sha'Mera-Elisa: Williams sui juris, am a constitutionally-acknowledged and protected, de jure Pre-1933 Private American National Citizen of the United States of America, and therefore, I am a constitutionally-acknowledged and protected, de jure, Private Citizen of the Republic of Missouri, known as a "Kansas City, Missouri", Specially and Privately inhabiting in English/American Equity on the land of Jackson County, in Missouri Republic. Therefore, I am foreign; by nature and characteristic, to the extra-constitutional, alien, de facto, "temporary" Emergency War Powers Government of the State of Missouri/Kansas and the extra-constitutional, alien, de facto, "temporary", Emergency-war Powers Governments of the other forty-nine (49) states and owe no temporary allegiance to said "temporary" Emergency War Powers Military Government having been "temporarily" created by Congress (12 USC 95a) and by President Franklin D.
