ORDER APPROVING TARIFF SHEET

Issue Date: April 6, 2022

Effective Date: April 20, 2022

On March 21, 2022, Union Electric Company d/b/a Ameren Missouri filed revised tariff sheets, Tracking No. YE-2022-0240, designed to implement the "all fuels" rule of the Pay As You Save (PAYS®) program. The "all fuels" rule of the PAYS® program will include electric and gas savings when determining a customer qualifying package under the program. This provision was contemplated in the *Non-Unanimous Stipulation and Agreement Regarding the Implementation Certain MEEIA Programs Through Plan Year 2023 and Motion For Expedited Treatment* approved by the Commission on October 27, 2021. The revised tariff sheets have an April 20, 2022 effective date.

The Commission set a time for responses or objections to the revised tariff sheets and directed the Staff of the Commission to file a recommendation. On March 28, 2022, Staff filed its recommendation. Staff stated the tariff sheets are consistent with the agreement previously approved by the Commission and recommended their approval. No other responses were filed.

After reviewing the unopposed tariff revision and Staff's recommendation, the Commission finds it reasonable to approve the tariff sheets to become effective on April 20, 2022. So that the tariff may become effective on its April 20, 2022 effective date, this order will become effective in less than 30 days.

THE COMMISSION ORDERS THAT:

1. Revised tariff sheets, Tracking No. YE-2022-0240, filed on March 21, 2022, are approved to become effective on April 20, 2022.
2. This order shall be effective on April 20, 2022.
