RE: The Empire District Electric Company d/b/a Liberty
Case No. EO-2025-0046

Dear Judge Dippell:

On August 2, 2024, Liberty submitted the Direct Testimony of Kim Dragoo and revised tariff sheets regarding the Company's MEEIA Cycle 1 plan and the customer charge under the MEEIA Demand-Side Investment Mechanism ("DSIM"). The tariff sheets bore an issue date of August 2, 2024, and a requested effective date of October 1, 2024 (60 days after filing).

To address calculation errors that were identified by the Staff of the Commission and the Office of the Public Counsel, Liberty is submitting a correction for the Direct Testimony of Kim Dragoo (page 4) and a substitute tariff sheet (sheet 21f). As a substitute, the tariff sheet continues to bear an issue date of August 2, 2024, and a requested effective date of October 1, 2024. The corrections to the testimony are found on lines 14-15 of page 4. Redlined versions and updated workpapers are being provided to all parties.

Please bring these filings to the attention of the Commissioners and the appropriate Commission personnel, and please do not hesitate to contact me with any questions or concerns.

Sincerely,

Diana Carter

RE: The Empire District Electric Company
Case No. ER-2025-_____

Dear Judge Dippell:

Please find attached, in electronic form, the following revised tariff sheets regarding Liberty's MEEIA Cycle 1 plan and the customer charge under the Demand-Side Investment Mechanism ("DSIM"):

PSC Mo No. 6	Section 4	5 th Revised Sheet No. 21f; and
PSC Mo No. 6	Section 4	4 th Revised Sheet No. 27e.

These sheets bear an issue date of August 2, 2024, and a requested effective date of October 1, 2024 (60 days after filing).

Revised sheet 21f trues up the DSIM rate to adjust for over-recovery in the past year (the first year of Liberty's DSIM). Liberty proposes to revise sheet 27e to modify the Residential Heating, Ventilation, and Air Conditioning ("HVAC") Rebate. This will align Liberty's DSIM true-up process with the other electric IOUs. Redlined tariff sheets and workpapers are being provided to all parties, and the Direct Testimony of Kim Dragoo is being filed herein to explain all proposed changes.

Please bring these filings to the attention of the Commissioners and the appropriate Commission personnel, and please do not hesitate to contact me with any questions or concerns.

Sincerely,

Jermaine Grubbs
