**MOTION FOR EXTENSION OF TIME**

COMES NOW Evergy Metro, Inc. d/b/a Evergy Missouri Metro ("Evergy Missouri Metro") and Evergy Missouri West, Inc. d/b/a Evergy Missouri West ("Evergy Missouri West") (collectively, the "Company")<sup>1</sup> and hereby respectfully request the Missouri Public Service Commission ("Commission") grant an extension of time as related to the information referenced below.

1. On September 25, 2018, parties to the above-captioned dockets filed a *Non-Unanimous Partial Stipulation and Agreement Concerning Rate Design Issues* ("Agreement") which included the stipulation that:

By June 30, 2020, KCP&L will file a rate design case limited to TOU issues. For GMO, signatories further agree the September 20, 2016 Non-Unanimous Stipulation and Agreement in ER-2016-0156 will be expanded to include TOU, with the TOU rate design case to commence by June 30, 2020.<sup>2</sup>

2. On October 31, 2018, the Commission issued its *Order Approving Stipulations and Agreements* ("Order") approving the Agreement.

3. The Company seeks additional time to file a rate design case so that the case is supported by 12 months of Time of Use ("TOU") information inclusive of the summer season.

---

<sup>1</sup> Effective October 7, 2019, Evergy Metro, Inc. d/b/a Evergy Missouri Metro adopted the service territory and tariffs of Kansas City Power & Light Company ("KCP&L") and Evergy Missouri West adopted the service territory and tariffs of KCP&L Greater Missouri Operations Company ("GMO").

<sup>2</sup> See *Non-Unanimous Partial Stipulation and Agreement Concerning Rate Design Issues*, §2.i., p. 7, Docket Nos. ER-2016-0145 / 0146, dated September 25, 2018.

Staff for the Commission (“Staff”) has requested, and the Company agrees, that it will include the TOU data in its rate design case and share that information with stakeholders. That data will include hourly Advanced Metering Infrastructure (“AMI”) information for the TOU participants and their control group, as well as, any other data used in the evaluation of the rate and used in the Evaluation Measurement & Verification (“EM&V”).

4. Additionally, the Company, Staff, and the Office of the Public Counsel (“OPC”) have agreed to the following proposed schedule moving forward, assuming the Commission grants this extension request:

June 2020	Complete filing for extension to June 15, 2021
October 2020	Post-Summer checkpoint with parties including EM&V status discussion.
December 2020	Complete preliminary EM&V
December 2020	Meeting with parties to review preliminary EM&V results and plans for rate design
March 1, 2021	Preliminary rate design provided to the parties.
April 2021	Dedicated meeting with parties to receive feedback and comments on preliminary rate design.
April 15, 2021	60-day notice filed with the Commission opening the docket
June 15, 2021	Complete rate design case filing

5. The Company has discussed this extension with all signatories to the Agreement and no signatory objects to the extension.

WHEREFORE, for the reasons stated above, Evergy Missouri Metro and Evergy Missouri West respectfully requests the Commission grant an extension of time to no later than June 15, 2021 to file its rate design case.

Respectfully submitted,
