ORDER APPROVING INTERCONNECTION AGREEMENT

Issue Date: August 9, 2024

Effective Date: September 8, 2024

This order approves a negotiated Interconnection Agreement between the parties, which was filed by Farber Telephone Company d/b/a Rally Networks.

On June 14, 2024, Rally Networks filed an application with the Commission for approval of a negotiated Interconnection Agreement (the Agreement) with Level 3 Communications, LLC (Level 3) under the provisions of the Federal Telecommunications Act of 1996 (the Act). Rally Networks is certified with the Commission as an incumbent local exchange carrier. Level 3 is certificated with the Commission as a competitive local exchange and an interexchange carrier.

Although Level 3 is a party to the Agreement, it did not join in the application. On July 2, 2024, the Commission issued an order making Level 3 a party in this case and directed any party wishing to request a hearing to do so no later than July 17, 2024. No requests for hearing were filed.

Under Section 252(e) of the Act, any Interconnection Agreement adopted by negotiation must be submitted to the Commission for approval. The Commission may reject an Agreement if it finds that the Agreement is discriminatory or that it is not consistent with the public interest, convenience and necessity.

On August 1, 2024, the Staff of the Commission (Staff) filed a recommendation. Staff recommended that the Agreement be approved and noted that the Agreement meets the limited requirements of the Act in that it is not discriminatory toward nonparties and is not against the public interest.

The Commission has considered the application, the supporting documentation, and Staff's recommendation. Based upon that review, the Commission finds that the Agreement meets the requirements of the Act in that it does not discriminate against a nonparty carrier and implementation of the Agreement is not inconsistent with the public interest, convenience and necessity.

THE COMMISSION ORDERS THAT:

1. The Interconnection Agreement between Rally Networks and Level 3, filed on June 14, 2024, is approved.
2. This order shall become effective on September 8, 2024.
3. This file may be closed on September 9, 2024.
