Ms. Nancy Dippell
Secretary of the Commission
Missouri Public Service Commission

Dear Ms. Dippell:

The tariff sheets listed below issued by Union Electric Company d/b/a Ameren Missouri (Ameren Missouri or the Company) were filed as a revision of Schedule No. 6, Schedule of Rates for Electricity, on August 13, 2024:

<u>Filed</u>	<u>Canceling</u>
3rd Revised Sheet No. 95	2nd Revised Sheet No. 95
7th Revised Sheet No. 95.1	6th Revised Sheet No. 95.1
1st Revised Sheet No. 102	Original Sheet No. 102
2nd Revised Sheet No. 103	1st Revised Sheet No. 103
2nd Revised Sheet No. 109	1st Revised Sheet No. 109
2nd Revised Sheet No. 122	1st Revised Sheet No. 122
3rd Revised Sheet No. 123	2nd Revised Sheet No. 123
2nd Revised Sheet No. 124	1st Revised Sheet No. 124

These tariff sheets are being issued August 13, 2024, to become effective on and after September 12, 2024.

The purpose of the proposed tariff revisions is to clarify that agreements may be required by Ameren Missouri in situations where high voltage service is requested by a customer and that, in certain circumstances, an extension allowance is not available.

Ameren Missouri has recently received a significant number of requests for high voltage service and several of these potential customers desire commitments from Ameren Missouri in the near term, even though the customer and Ameren Missouri will not be able to receive/provide service for several years. These proposed tariff revisions will enable the Company to enter into agreements which will reduce the financial impacts for Ameren Missouri customers from costs associated with construction projects that are long-term or unusually large in nature.

Ameren Missouri asks that this tariff go into effect on or before the 30-day effective date so that it is available for use as soon as possible.

The proposed tariffs were shared with the Commission Staff. The tariffs were also discussed with the Office of the Public Counsel prior to filing.

Sincerely,

/s/ Wendy K. Tatro
