Brief Description

Mr. Kiesling's rebuttal testimony; 11 -Step Process

Description

On page 8, line 4 of Mr. Kiesling's rebuttal testimony, he discusses the 11-Step Process. a) Please identify each of the 11-Step Process changes that fall into the pattern described on page 8 of Mr. Kiesling's rebuttal testimony. b) Of these changes identified during each 11-Step Process, how many were for residential programs and how many were for business programs? c) Did Staff interview contractors and/or trade allies who participate in these programs? If so, please provide any and all communication and documentation related to or documenting these interviews. d) Please identify each contractor and trade alley Staff believes waits until the fourth quarter to begin projects because that contractor and/or trade alley believes that incentives will be increased. e) Please provide any and all communication with Ameren Missouri personnel that acknowledged customers, contractors and/or trade allies might wait until the fourth quarter to start projects. Please provide any supporting documentation of these communications.
