Brief Description
Mr. Luebbert

Description
On pages 34-35, of Mr. Luebbert rebuttal testimony, he states, "Alternatively, the utility is more likely to award future contracts to a contractor that presents results that are favorable to the utility." a) Please identify each contract where Mr. Luebbert alleges the contractor with favorable results was chosen. b) Of those contracts, please provide the other contractors who were not chosen and why Mr. Luebbert believes those contractors should have been awarded the contract.

Response
a) Mr. Luebbert is not making an allegation to any specific contract but rather highlighting a bias that exists for evaluator selection under the existing framework of cost recovery. b) See above. Data Request Response provided by J Luebbert (j.luebbert@psc.mo.gov).
