STAFF’S THIRD RESPONSE TO ORDER DIRECTING FILING

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”) and, for its Third Response to the Commission’s *Order Directing Filing* issued May 4, 2011, states:

1. In its Order Directing Filing the Commission ordered Staff, based on the impacts of the Commission’s May 4, 2011, *Report and Order*, to report the following:

- a. “The revenue requirement increase”;
- b. “The customer effect of that increase”;
- c. “The new rates per kWh per customer class after the increase”; and
- d. “The specific effect the rebasing of the fuel adjustment clause has on i) the revenue requirement and ii) customer rates.”

2. As the Commission ordered in two prior filings, made May 5 and 6, 2011, Staff reported to the Commission Staff was working with KCP&L Greater Missouri Operations Company (“GMO”) to answer the questions posed, that despite Staff’s diligence, the information the Commission requested was still unavailable, and that Staff would file the requested information on Tuesday, May 10, 2011, following the State Holiday on Monday, May 9, 2011.

3. Unfortunately, working with GMO to answer the questions has taken longer than Staff anticipated, and Staff is still not in a position to file the information requested. Staff plans to work into this evening and be ready to file the requested information tomorrow morning, Wednesday, May 11, 2011.

WHEREFORE, in response to the Commission's *Order Directing Filing* issued May 4, 2011, Staff reports to the Commission it plans to file the requested impacts of the Commission's May 4, 2011, *Report and Order* tomorrow morning, Wednesday, May 11, 2011.

Respectfully submitted,

/s/ Nathan Williams
