Of Electric Supplier)

File No. EO-2024-0251

ORDER DIRECTING FILING GRANTING CONTINUANCE

Issue Date: August 16, 2024

Effective Date: August 16, 2024

On March 18, 2024, Sullivan Development Properties, LLC (Sullivan) filed an application with the Missouri Public Service Commission requesting a change of electric supplier from Union Electric Company d/b/a Ameren Missouri (Ameren) to Farmington, Missouri City Light and Water (Farmington). On May 3, 2024 the City of Farmington filed a Response to the Sullivan Development application for a change of electric supplier recommending the Commission either deny or stay the application Sullivan filed. On May 3, 2024 Ameren filed a response to the Sullivan application recommending the Commission deny the application. On May 23, 2024 Staff filed a Status Report and Recommendation requesting the Commission either stay the Order requiring the status report or order Sullivan, Ameren, and Farmington to confer and file a status report with the Commission.

A prehearing conference was held on July 5, 2024 but the Applicant neither appeared nor notified the City of Farmington, Ameren, or the Regulatory Law Judge of their absence. An additional prehearing conference was held on August 5, 2024.

It is now appropriate for the Applicant to state why the Application should not be dismissed for failure to file for annexation. Under 386.800 a municipality is not allowed to

serve a territory outside the city limits. The property in question in this application is outside the city limits of Farmington and the Applicant has not filed for annexation. The Applicant shall respond before August 26, 2024.

THE COMMISSION ORDERS THAT:

1. The Applicant shall respond by August 26, 2024.
2. This order shall be effective when issued.
