AND ESTABLISHING INTERVENTION DATE**

Issue Date: July 1, 2011

Effective Date: July 1, 2011

On June 29, 2011, KCP&L Greater Missouri Operations Company filed an application containing its Fuel Adjustment Clause (FAC) true-up filing, as it is required to do by Commission rules 4 CSR 240-3.161 and 4 CSR 240-20.090. Rule 4 CSR 240-20.090(5)(D) requires the Commission's Staff to examine and analyze the information GMO has submitted and to submit a recommendation to the Commission not later than 30 days after GMO made its filing. That means Staff's recommendation will be due no later than July 29, 2011. Under that rule, the Commission must then act to approve, reject, or suspend GMO's true-up filing by August 28, 2011.

Commission Rule 4 CSR 240-3.161(10)(A) provides that the parties to the rate case in which the Commission established GMO's fuel adjustment clause are automatically parties to this true-up case, without the necessity of having to apply for intervention. The Commission therefore acknowledges that the parties to File No. ER-2007-0004 are parties to this case and will direct its data center to add those parties to the service list.

The Commission will also establish a submission date for any other entity that may wish to apply to intervene and will direct its Data Center to serve a copy of this

order upon the parties in ER-2007-0004 and upon the county commission of each county in GMO's service area. In addition, the Commission's Public Information Office shall make notice of this order available to the media serving GMOs service area and to the members of the Missouri General Assembly representing the residents of GMO's service area.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall add all parties from File No. ER-2007-0004 to the service list for this case.

2. Any proper person or entity wishing to intervene in this matter shall file an application to intervene no later than July 21, 2011, with:

Steven C. Reed, Secretary
Missouri Public Service Commission
Post Office Box 360
Jefferson City, Missouri 65102

3. The Commission's Data Center shall serve a copy of this order upon the county commission of each county in the service territory of KCP&L Greater Missouri Operations Company.

4. The Commission's Public Information Officer shall make notice of this order available to the members of the Missouri General Assembly representing the residents of the service area of KCP&L Greater Missouri Operations Company and to the news media serving the residents of the service territory of KCP&L Greater Missouri Operations Company.

5. The Staff of the Commission shall file its recommendation no later than July 29, 2011.

6. This order shall become effective upon issuance.
