Failure to rebut each, and every point, every statement, and every fact with substantive proof

This Affidavit will be use in all court proceedings, either in Exclusive Equity or At Law (Common Law), whenever needed.

For the Record and on the Record and Let the Record Reflect, My Total Allegiance is to The Great, The Universal, The Absolute, The Eternal, The Creator, God Almighty (Allah) which the endowment of my unalienable rights come. All Allegiances that I, Marquette, Lumumba, Mugabe, Bey, Private and Special, of the House of F's, Bey's and A's, BEING Live, BEING Living BEING Aware, make with any Nation must conform to the Law of Nature, which is the Law of GOD ALMIGHTY. It is expressly stated in *City of Dallas v. Mitchell*, 245 S.W. 994 that "The rights of the individual are not derived from governmental agencies, either municipal, state or federal, or even from the Constitution. They exist inherently in every man, BY ENDOWMENT OF THE CREATOR, and are merely reaffirmed in the Constitution, and restricted only to the extent that they have been voluntarily surrendered by the citizenship to the agencies of government. The people's rights are not derived from the government, but the government's authority comes from the people. The Constitution but states again these rights already existing, and when legislative encroachment by the nation, state, or municipality invade these original and permanent rights, it is the duty of the courts to so declare, and to afford the necessary relief." (Emphasis mine) And when people make the statement of expressing or claiming that they have constitutional rights, the court stated: "By the expression, "constitutional right," as just used, we mean a right guaranteed to the citizen by the constitution and so guaranteed as to prevent legislative interference with that right." Dolaney et al. v. Plunkett, 146 Ga. 547 (Emphasis mine)

Here we can see that All rights are granted and given to us by our creator (Almighty God) as it is well stated in the above court case. It is also stated in *Stanley Liber v. Leo Flor*, 143 Colo. 205; 353 P.2d 590, 1960 Colo. "It seems to me that by his [Man] very nature certain rights belong to man and that these rights are inalienable because they are inherent in the human being. These human rights outrank the claims and rights of the community or government. WHY? Because the constitution proclaims that they are "natural, essential and

inalienable. They existed and were his before he became a part of the family, the state and society. They are NOT bestowed upon him by the constitutions, federal and state, but are recognized as inhering in him and therefore are subject to the constitutional guarantees that they be and remain inviolable. (Emphasis mine) As well as in *Hunter v. Pittsburgh*, 207 U.S. 161, 28 S. Ct. 40, 52 L. Ed. 151, 19 R.C.L. pp. 729-731 and cases cited *Id.*, see 108, p. 800; *Richmond v. City of Richmond*, 145 Va. 225, 133 S.E. 800, 1926 Va. For. "Man as an individual possesses certain rights which are called inherent rights, inborn and inbred, the gift of his Maker, and essential to his existence and well being, such as the rights of life, liberty and the pursuit of happiness, which are not surrendered by entering into organized society. They existed before society was organized and are not surrendered by entering into the organization. Municipal corporations have no such rights. They have no existence, and hence no rights prior to the organization of society. They are mere political subdivisions of the State, created for the convenient administration of such governmental powers as may be entrusted to them. They are creatures of the State..." (Emphasis mine) "Rights that are 'unalienable' or 'inalienable' are those natural, essential and inherent rights which belong to all men; rights which in their very nature cannot be surrendered to government or to society because no equivalents can be received for them, and which neither the government nor society can take away, because they can give no equivalents." *Hale v. Everett*, 53 N.H. 9, 16 Am. R. 82. (Emphasis mine) "Under the ... common law and under our American constitutional law, natural rights are such as appertain originally and essentially to each person as a human being, as a member of organized society and as a citizen of a free government. They are rights recognized as inherent in the individual member of the state, personal, absolute and inalienable." (Emphasis Mine [***50] supplied) *Bednark v. Bednark*, 18 N.J. Misc. 633, 16 A. (2d) 80. "The entire social and political structure of America rests upon the cornerstone that all men have certain rights which are inherent and inalienable." *Thiede v. Town of Scandia*, 217 Minn. 218, 14 N.W. (2d) 400 *supra*; *Vogts v. Guerrette*, 142 Colo. 527, 351 P.2d 851, 1960 Colo. (Emphasis Mine)

Therefore, Any Nation or Country whose laws are NOT in accordance with the Laws of GOD automatically voids my allegiance to that nation. For "All acts of legislature apparently contrary to natural right and justice, are, in our laws, and must be in the nature of things, considered as void. The laws of nature are the laws of God, whose authority can be superseded by no power on earth. A legislature must not obstruct our obedience to Him from whose punishments they cannot protect us. All human constitutions which contradict his laws, we are in conscience bound to disobey. Such have been the adjudications of our courts of justice." *Robin et al. v. Hardaway*, 111 Jett. 109 (1772) (Emphasis mine) For "There is a higher loyalty than to this country, loyalty to God." *United States v. Seeger*, 380 U.S. 163, 85 S. Ct. 850, 13 L. Ed. 2d 733, 1965 U.S. (Emphasis mine) And, "Any legislative exercise under the police power which violates any right guaranteed by the national or state constitutions is invalid." *People v. Harris*, 104 Colo. 386, 91 P. (2d) 989, 122 A.L.R. 1034. (Emphasis mine) "No Act of Congress can authorize a violation of the Constitution." *Almeida-Sanchez v. United States*, 413 U.S. 266, 93 S. Ct. 2535, 37 L. Ed. 2d 596, 1973 (Emphasis mine)

Man cannot give any living man rights, nor can he force a right upon another which he has no power to grant. As in the case of civil rights, civil rights are granted rights by the government which has no authority to grant anyone rights. That which is given can easily be taken away by the giver. Man, rights are endowed by Almighty God (Allah) and no one can take away what the Almighty God has endowed man with.

Whereas, This Affidavit will demonstrate with full proof that it is impossible for me to be either a citizen of United States or a citizen of the Corporate State of Missouri *This fact will be demonstrated according to your Corporate Law (bylaws) that I, Marquette Lumumba Mugabe Bey, of the House of EP's, Bey's and Ali's, BEing Live, BEing Liewing, BEing Aware, am a Non-Resident Alien.*

17. Whereas, It is presumed that All corporate officers of the Corporate States and the corporate United States assume that the living Man, *Marquette Lumumba Mugabe Bey, of the House of EP's, Bey's and Ali's*, a non-resident Alien, an Indigenous Choctaw/Washitaw Muur/Moor is a citizen/member/subject/slave of a Commercial Corporate State known as STATE OF MISSOURI, INC. and with that PRESUMPTION they assume that, I, am a citizen of the corporate State of Missouri and the **UNITED STATES, INC. WHICH IS IN ERROR**

18. Whereas, If the living Man, *Marquette Lumumba Mugabe Bey, BEing Live, BEing Liewing, BEing Aware*, a non-resident Alien, an Indigenous Choctaw/Washitaw Muur/Moor is a citizen/member of the Corporate State of Missouri/citizen of Corporate UNITED STATES and is The "PERSON" that is attached to the STATE OF MISSOURI as a citizen/member/subject/slave, THEN by PRESUMPTION and/or ASSUMPTION the citizen/member/subject/slave must abide by all rules, codes and regulations created by the Corporate State for all of its Corporate members/citizens/subject/slaves.

Now, what are the qualifications of one to be a United States citizen or State Citizen as I continue to express that I am the original Inhabitant (Indigenous) of the land, a non-resident Alien and is **NOT Privy to any Act, nor Contract** with the UNITED STATES, INC nor to the STATE OF MISSOURI, INC, nor any instrumentalities of the Corporate UNITED STATES nor ITS AGENTS?

19. *Whereas, There is only ONE method of membership into the Corporate United States Inc. and its subsidiaries. You must ask the Corporate State for permission to volunteer to become a state person.*

20. *Whereas, You must volunteer because the U.S. Constitution forbids the state from compelling one into slavery. This is found in your 13th and 14th Amendments which state:*

13th Amendment Section 1: Neither slavery nor involuntary servitude, except as a punishment for crime, whereof the party shall have been duly convicted, shall exist within the United States, or any place subject to their jurisdiction.

21. **Whereas**, The United States can't force one into involuntary servitude then one can only volunteer, and how does one become a Servant or Citizen?

BY CONTRACT, One must Consent to be governed.

104th Amendment Section 1: All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside.

22. **Whereas**, As defined below, the act of being born in America on the Land/Soil makes one an American:

AMERICAN, n. A native of America; **ORIGINALLY APPLIED TO THE ABORIGINALS, OR COPPER-COLORED RACES**, found here by the Europeans; but now applied to the descendants of Europeans born in America. American dictionary of The English Language, 1828: 1st Ed. (Emphasis Mine)

American, Of or pertaining to either continent of America; often, ... also noting or pertaining to the so-called "red" race, characterized by a reddish or brownish skin, dark eyes, black hair, and prominent cheek-bones, and embracing the aborigines of N. and S. America (sometimes excluding the Eskimos). Known as American Indians. *The Living Webster Encyclopedic Dictionary of the English Language (1971) pg. 33*

23. **Whereas**, Being **BORN ON THE LAND/SOIL** and not in some Imaginary Fictional Creation out of someone's Mind demonstrates my Sovereignty that can only be granted by God.

24. **Whereas**, The controlling corporate structure of the United States Inc. has created fictional laws and statutes that create the illusion that all so-called Americans are born in the Corporate UNITED STATES, INC. . . . Within this fictional corporation, most Americans are falsely lead to believe that they are citizens of the United States or the State in which they reside.

25. **Whereas**, The Corporate UNITED STATES and its instrumentalities the STATE OF . . . are all Fictions/Corporations and The UNITED STATES is based in The [Fictional] District of Columbia.

26. **Whereas**, According to your Statute at Large one must be **NATURALIZED** to become a citizen, subject, of United States.

27. Whereas, The Statute at Large to become a US citizen is the act of Congress of April 14, 1802, (2 Stat. 153, c. 28, § 1; Rev. St. § 2165), THAT ACT SAYS; provides that:

"an alien may be admitted to become a citizen of the United States in the following manner, and not otherwise"

28. Whereas, Pursuant to the Case of "City of Minneapolis v. Reum," completely lays out the reason one may live in the United States and vote for five to twenty years and not be qualified under 2 Stat. 153, c. 28, § 1; Rev. St. § 2165 to be a LAWFUL citizen of the United States.

City of Minneapolis v. Reum states:

"A state may confer on foreign citizens or subjects all the rights and privileges it has the power to bestow, but, when it has done all this, it has not naturalized them. They are foreign citizens or subjects still, within the meaning of the constitution and laws of the United States, and the jurisdiction of the federal courts over controversies between them and citizens of the states is neither enlarged nor restricted by the acts of the state. The power to naturalize foreign subjects or citizens was one of the powers expressly granted by the states to the national government." CITY OF MINNEAPOLIS v. REUM, 56 F. 576; 1893 (*Emphasis mine*)

29. Whereas, The above case explains that just because someone lived in a Corporate State or the United States for years and voted does not mean you are a US citizen or have any latches, like filing tax forms, getting or having driver licenses, birth certificates, Social Security Numbers and/or Cards etc., etc., because all these are all in the category of "And Not Otherwise". These documents do not qualify the Original Inhabitant/ Alien/Man/Woman to be a citizen of the United States unless he/she had Contracted to become a citizen of United States. As demonstrated in the aforementioned case, citizenship is by CONSENT.

30. Whereas, In Mr. Reum's case, the act of voting did NOT make him a citizen, said the court. Yet to be a citizen of United States one has to be Naturalized. It is plain and simple.

31. Whereas, All Men/Women who are outside of the Corporate United States and the federal United States are Considered Aliens meaning they are foreign to the United States.

32. Whereas, I, the living Man, *Marquette: Lumumba: Mugabe Bey*, BEing Live, am also ALIEN to the Corporate United States. I am neither a citizen of the Corporation United States nor citizen of the Corporate State of Missouri and I have no intention to ever to become one. I have no Contract of allegiance with the Corporate State of Missouri nor with the Corporate United States nor any agreement with its instrumentalities.

33. Whereas, I, the living Man, *Marquette: Lumumba: Mugabe Bey*, BEing Live, a non-resident Alien, an Indigenous Choclaw/Washitaw Muur/Moor, am indigenous to this Land by birth and ancestry.

"An Alien owes no allegiance to our government or to our constitution, laws, or proclamations. A citizen subject is bound to obey them all. In refusing such obedience, he is guilty of crimes against his country, and finds in the law of nations no justification for disobedience. An alien, being under no such obligation, is justified in refusing such obedience. Over an alien enemy, our government can make no constitution, law, or proclamation of obligatory force, because our laws bind only our own subjects, and have no extra-territorial jurisdiction. Over citizens who are subjects of this government, even if they have so far repudiated their duties as to become enemies, our constitution, statutes, and proclamations are the supreme law of the land. The fact that their enforcement is resisted does not make them void. It is not in the power of armed subjects of the Union to repeal or legally nullify our constitution, laws, or other governmental acts." *SOURCE: The Legal Classics Library: War Powers under The Constitution of the United States 1864 tenth ed Entered by Act of Congress In the Clerk's Office of the Direct Court of the District of Massachusetts Special Edition 1997*

"The rights of the individual are not derived from governmental agencies, either municipal, state or federal, or even from the Constitution. They exist inherently in every man, by endowment of the Creator, and are merely reaffirmed in the Constitution, and restricted only to the extent that they have been voluntarily surrendered by the citizenship to the agencies of government. The people's rights are not derived from the government, but the government's authority comes from the people. The Constitution but states again these rights already existing, and when legislative encroachment by the nation, state, or municipality invade these original and permanent rights, it is the duty of the courts to so declare, and to afford the necessary relief. The fewer restrictions that surround the individual liberties of the citizen, except those for the preservation of the public health, safety, and morals, the more contented the people and the more successful the democracy." *City Of Dallas v. 53. **Whereas**, The Court case decision below affirms that Man/Woman must Consent to be governed. If he chooses not to join, then that is his God Given Right not to contract.

"When a change of government takes place, from a monarchical to a republican government, the old form is dissolved. Those who lived under it, and did not choose to become members of the new, had a right to refuse their allegiance to it, and to retire elsewhere. By being a part of the society subject to the old government, they had not entered into any engagement to become subject to any new form the majority might think proper to adopt. That the majority shall prevail is a rule posterior to the formation of government, and results from it. It is not a rule binding upon mankind in their natural state. There, every man is independent of all laws, except those prescribed by nature. Amends the Act of March 24, 1976 [PL 94-241; 90 Stat. 263] at Section 3, 100 Stat. 843 August 27, 1986.

CERTIFICATE OF U.S. NON-CITIZEN NATIONAL STATUS

[8 U.S.C. 1452(a), Section 341(b); PL 99-396, Section 16(c); 100 Stat. 843 (August 27, 1986)].

§16(a) Immigration and Nationality Act	8 U.S.C. 1452	
§16(a)(3); 8 U.S.C. 1452, Section 341(a)		"A person who claims to be a national, but not a citizen of the United States, may apply to the Secretary of State for a certificate of non-citizen national status."
§16(a)(3)(1)	1452, Section 341(b)	"proof to the satisfaction of the Secretary of State that the applicant is a national, but not a citizen, of the United States and . . . only if in the United States [Host State], Certificate of Citizenship or U.S. Non-Citizen National Status; Procedure

57. **THEREFORE:** This Certificate/Affidavit is submitted upon demand of Nationality/Identity. Through fraud, conspiracy to defraud, and a conspiracy against my "unalienable Rights," a federal entity known as MISSOURI has attempted and is attempting to take my private property, ERIC MARQUETTE JOHNSON© incrementally, in the form of a deprivation of "unalienable Rights" through the relegation of my "person" and/or property to its [MISSOURI etc.] de facto jurisdiction, in direct violation of the Constitution for the United States of America. Fraud has been committed, and is continuously being committed, against Me, the living Man by the "State of Missouri," the Secretary of State, insisting that I am a citizen of the United States while concealing the fact that there are actually two forms of citizenship, one of which I am Not.

58. **WHAT'S MORE:** Compulsory subjugation to the foreign jurisdiction of the United States is prohibited under Article IV, Section 4, which guarantees a "Republic form of Government" for each of the several states. And then there is Article VI, Section 2, which protects the Laws of Nations through Treaty Agreement, via the several states of the union of:
