Issue Date: September 4, 2024

Effective Date: September 4, 2024

On September 3, 2024, the Commission’s Staff filed notice that on that date, it started its prudence audit of the fuel adjustment clause established for Evergy Missouri West, Inc. d/b/a Evergy Missouri West, for the period December 1, 2022 through May 31, 2024. Commission Rule 20 CSR 4240-20.090(11)(B) requires Staff to file notice regarding the commencement of an audit. That rule also requires Staff to file its recommendation regarding the prudence review no later than 180 days after it initiates the review. Staff plans to file its recommendation by February 28, 2025. Pursuant to the same rule, other parties to the case have 10 days after Staff files its prudence review recommendation to request a hearing.

The Commission will give notice of the commencement of Staff’s prudence review to potentially interested entities and will set a date for the filing of applications to intervene. Commission Rule 20 CSR 4240-20.090(17)(A) provides that parties to the most recent general rate proceeding in which the Commission established, modified, or continued the fuel adjustment clause are automatically parties to this prudence review proceeding. The Commission acknowledges the parties to File No. ER-2022-0130 as parties to this case without the need to apply to intervene. The Data Center shall add these parties to the service list.
