So what do you want to talk about Commission, Staff, Ameren, Tueth Keeney?

Only in a banana republic attorney's can claim the word "harassment" to the production of documents. It's rather amazing watching the continuing fold of the Commission, Ameren , Staff and Tueth Keeney.

I've got some more bad news for the Commission, Staff, Ameren Missouri , Tueth Keeney.

The production of documents is only going to get worse from here. Next week those same exact identifiers are going to be served Federal Subpoenas to comply with the production.

Is the Commission, Staff, Ameren Missouri, Tueth Keeney ready to tell the truth?

Enjoy those documents from earlier.

I'm going to ride off into the sunset and enjoy my weekend knowing that I've caught every attorney involved in this matter in a lie. It's amazing knowing that the admittance is right on paper and you all would continue to further lie.

Felber vs Ameren, The Missouri Public Service Commission, Tueth Keeney.

Coming to your State and Federal Courts soon! The Perjury, Collusion, Fraud, Computer Fraud files.

Just let me know when you all get www2.ameren.com working for an email address.

This will be my last filing to the Commission until we meet in State and Federal Courts for production of those documents. Unless you want to comply sooner?

Sincerely,
The Final Boss

FYI. (Sooner or later since I have to spoon feed it to you, you all are going to realize the actual State and Federal Government work for me.)

I'm the person that deciphers when an attorney sells incredible and absolute
***** . Use your imagination for the asterisks.
