So what do you want to talk about Ameren, Staff, Commission, Tueth Keeney?

I know what I want to talk about. i want to talk about audio tapes. Audio tapes, by Ameren Missouri's own employees that will agree with my assessment and that www2.ameren.com is not an email address.

Enjoy the four minute audio clip.

Does Staff, Commission, Ameren, Tueth Keeney want to stick with their story, or would they like to change it now and admit the truth?

Oh and the State and Federal Government told me to give Ameren Missouri and the Commission and a memo.

You've Been Caught In Your Lie!

Based on the last two exhibits, I'd like the Commission to express a decision by the end of business Wednesday, so I can proceed with the subpoenas. and proceed with depositions.

It would only be fair to conduct the depositions based on the actual payment agreement and the audio.

So Ameren Missouri? What do you really want to talk about?

Sincerely,
The Final Boss
Brett Felber

Oh, if the Missouri Public Service Commission would like me to decipher anymore incredible and absolute ***** from Ameren Missouri, I can do that for you. My services only cost \$3,000 per hour. That includes certified Notary too.

Pretty cheap, if you ask. Also, I want to say the attorneys I keep arguing with are stellar. Great job. Some of the best at committing modern day douchery.

Let me know when Ameren gets www2.ameren.com working as an email address. Still waiting for that payment agreement from the “senior software engineer.”
