At a session of the Public Service Commission held at its office in Jefferson City on the 11th day of September, 2024.

In the Matter of the Establishment of a Working)	
Case for the Review and Consideration of)	<u>File No. GW-2025-0083</u>
Amending the Commission's Natural Gas Safety)	
Rules)	

**ORDER OPENING A WORKING CASE TO CONSIDER AMENDING THE
COMMISSION'S NATURAL GAS SAFETY RULES**

Issue Date: September 11, 2024

Effective Date: September 11, 2024

The Staff of the Commission (Staff) filed a motion on September 6, 2024, asking the Commission to open a working case to review and collect comments about a proposed rule change to amend the Commission's gas safety rules to update those rules to reflect recent U.S. Department of Transportation rule changes and to reflect certain clarifications and editorial revisions. Staff is also proposing additional amendments to correct, clarify, and update certain provisions of 20 CSR 4240-40.020 and 20 CSR 4240-40.030.

Staff asks the Commission to invite stakeholders to offer written comments regarding Staff's draft rule amendments and about the costs of complying with such rule amendments. Staff also asks the Commission to provide notice of the establishment of this working case to the stakeholders identified by Staff.

The Commission will establish this working case as requested by Staff. This file will serve as a repository for documents and comments. Using this file, anyone with an interest in this matter may view documents and may submit any pertinent responsive

comments or documents. As this is not a contested case, anyone may file a comment without counsel and without *ex parte* constraints (arising from this matter). Intervention requests are not necessary to submit comments or view documents.

The public is welcome to submit comments by forwarding electronic communications through the Commission's electronic filing and information system (EFIS) or by mailing written comments. You may submit electronic comments at the Commission's website at <http://www.psc.mo.gov>. (Click on the Submit Comments link on the right side of the page. Scroll down and click on the e-Filing Instructions link and follow the instructions provided. Please refer to File No. GW-2025-0083). Written comments in hard copy should be addressed to the Secretary of the Commission at P.O. Box 360, Jefferson City, Missouri 65102 and should also reference File No. GW-2025-0083. The public can view the contents of the file by following the same link at <http://www.psc.mo.gov>. The Commission's Data Center shall provide a copy of this order, and a copy of Staff's motion, to the stakeholders identified in the service list attached to Staff's motion as Attachment D.

THE COMMISSION ORDERS THAT:

1. This case is established as a repository for documents and comments regarding the Commission's consideration of an amendment to the Commission's gas safety rules to incorporate certain federal amendments to gas safety standards, and additional amendments it is considering as clarifications and editorial changes to the existing gas safety rules.

2. The Commission's Data Center shall provide a copy of this order, and a copy of Staff's motion, to the stakeholders identified in the service list attached to Staff's motion as Attachment D.

3. Any stakeholder wishing to submit written comments regarding the rule amendments being considered by Staff shall do so no later than November 1, 2024.

4. This order shall be effective when issued.
