RE: The Empire District Electric Company d/b/a Liberty
Case No. EO-2025-0046

Dear Judge Dippell:

On August 28, 2024, Liberty made a substitute filing for revised tariff sheet 21f that was originally submitted on August 2, 2024, regarding the Company's MEEIA Cycle 1 plan and the customer charge under the MEEIA Demand-Side Investment Mechanism ("DSIM").

To address presentation issues that were identified by the Staff of the Commission, Liberty is submitting a second substitute tariff sheet (sheet 21f). As a substitute, the tariff sheet continues to bear an issue date of August 2, 2024, and a requested effective date of October 1, 2024 (60 days after the initial filing). A redlined tariff sheet and updated workpapers are being provided to all parties.

Please bring this filing to the attention of the Commissioners and the appropriate Commission personnel, and please do not hesitate to contact me with any questions or concerns.

Sincerely,

Diana Carter
