ORDER AMENDING ORDER SETTING PROCEDURAL SCHEDULE

Issue Date: February 16, 2012

Effective Date: February 16, 2012

On December 19, 2011, Kansas City Power & Light Company (“KCP&L”) filed an application for an Accounting Authority Order (AAO). The Commission received timely applications to intervene from the Missouri Joint Municipal Electric Utility Commission and from Praxair, Inc., which the Commission granted.

The Commission issued an order on January 30, 2012. That order set a prehearing conference for February 15, 2012, and ordered the parties to file a procedural schedule no later than February 22, 2012.

At the prehearing conference, Staff proposed that the parties file a status report in lieu of a procedural schedule. No party objected. Thus, the Commission will require the parties to file a status report instead of a procedural schedule.

THE COMMISSION ORDERS THAT:

1. The Commission’s January 30, 2012 order is amended, and the parties are no longer required to filed a proposed procedural schedule no later than February 22, 2012.
2. The parties shall file a status report no later than February 22, 2012.

3. This order shall become effective immediately upon issuance.
