Re: Interconnection Agreement Between MFS Communications
Company, Inc. and Southwestern Bell Telephone Company
(Case No. TO-97-23 and TO-97-27)

TM-99-588

Dear Mr. Roberts:

Pursuant to the Commission's Order Approving Mergers and Related Transactions dated July 6, 1999 in Case No. TM-99-588, please be advised that the name of the CLEC operating under the above-referenced Interconnection Agreement has been changed to MCI WorldCom Communications, Inc. Please note also the Commission's Order of September 30, 1997 in Case No. TA-98-15, wherein the Commission recognized that WorldCom Technologies, Inc. (now known as MCI WorldCom Communications, Inc.) was the CLEC operating under the Agreement, but indicated that a name change was not then required (p. 8-9) because MFS Communications Company, Inc. remained its parent. As approved in TM-99-588, MFS Communications Company, Inc. has now been merged into MCI Communications Corporation, hence, this notice of name change is now in order.

We enclose five (5) copies of this letter so that you may return one file-stamped to us via our courier and use the original and remaining four (4) copies to revise the Commission's records regarding this Agreement. Thank you for your attention to this matter.

Very truly yours,

Carl J. Lumley
