The Commission has undertaken this rulemaking to prevent a Missouri Public Service Commission regulated electrical corporation, gas corporation, heating company, water corporation (with more than eight thousand (8,000) customers), or sewer corporation (with more than eight thousand (8,000) customers) from subsidizing its nonregulated operations, or its affiliates. The Commission is also rescinding rules from Chapter 20 (20 CSR 4240-20) as they are being rewritten and moved to Chapter 10 (20 CSR 4240-10).

The Commission finds that the rule is necessary to protect the public interest and to carry out the purposes of the statute that granted the rulemaking authority. The

Commission will seek further comments from interested stakeholders during the rulemaking process.

THE COMMISSION ORDERS THAT:

1. The Secretary of the Commission shall file the proposed rule and proposed rescissions with the Secretary of State for publication in the Missouri Register as a proposed rulemaking.
2. This order shall be effective when issued.
