Re: Complaint against Spire and Evergy Account(s) Remittance Transfer 15 US 16930-1
Ref. Pub. Law 106-229

Notice to Agents is a Notice to Principle, Notice to Principle is Notice to Agents:

I, Sha'Mera-Elisa: Williams sui juris, am filing a Complaint and Pro Se Common Law Civil Suit against all trespassers sent to this office on May 1, 2024. If this Agency refuses to file please send and forward to an Agency that does and if so that would be a violation of my rights and liberties. All STATE OF MISSOURI, ex rel., Respondents/Corporations, et al., must be held accountable for Treason against the De Jure. This is a "Special Appearance" proceeding in /Sui Juris. All-Natural Rights and Liberties have been reserved nunc pro tunc, Without Prejudice, Without Recourse U.C.C. 1-308.

Real --- Living --- Private
Universal Law --- Laws of God/Creator/Universe
Natural Law --- Laws of Nature *Common Law (Private) --- Cause no harm, loss, or fraud to another living soul.
Constitutional Law --- ALL holders of a Public Oath of Office MUST serve the Private People.
Lawful --- Law of the Land --- De Jure

However, what is happening is the opposite:

Legal --- Law of the Sea --- De Facto.
Commercial Law -- (Law of Contract/ Law Merchant/U.C.C.)
Admiralty Maritime --- (Military/Tribunal/Martial Law)
Statutory Legislative (Public) --- (Statutory Acts, Bills, Codes, Rules, Legislative Instruments)
Corporations --- (Legal Persons, Franchises, Decedents, Debtors, Wands of the State)
Fiction --- Dead --- Public

All have fallen into **DISHONOR**- from the judges, attorneys, lawyers, commission(s) of the same, mayor, entities and all their agents, heirs and assigns. All have bypassed the Common Law and did not uphold the Constitution- therefore causing treason against the de jure which is a crime and a criminal act. I am a living soul, not dead at sea/see... The use of Semantics will not do. Furthermore, I, am not a subject of any "court" or bound by "precedents" or any "courts", deriving their "jurisdiction" from said "authorities."

"First there is actually nothing owed at all. Secondly, there is no money. Thirdly, the Country does not owe anything. And in an unlikely event that there was a genuine debt, then it has nothing to do with me or ordinary people as it is just a national debt incurred by the commercial company to another commercial company (owned by the same people)."

No judicial courts, nor judges, have existed in America since 1789. Executive Administrators, not Judges, enforce Statues and Codes. *FRC v. GE, 281 US 464, Keller v. PE, 261 US 428, 1 Stat. 138-178. See also the

11th Amendment. This was the abolishment of all inferior courts to hear cases of law or equity (this means that all courts below the "one supreme courts," not the U.S. Supreme Court).

The Sufficiency of Reservation of Rights- I have expressed my intentions to reserve my natural inalienable rights and they are sufficient. I do not consent. Any expression indicating an intention to reserve rights, is sufficient, such as "Without Prejudice," U.C.C. 1-308.4, under any signature that I sign. I reserve my right not to be compelled to perform under any commercial agreement that I did not enter KNOWINGLY, INTENTIONALLY OR VOLUNTARILY- I do not accept the liability of any compelled benefit or any unrevealed contract or commercial agreement.

See: Affidavit: Notice of Liability Regarding Trespass Fee Schedule and Remedy in included.

Sincerely from,

/s/ Sha' Mera-Elisa: Williams non assumpsit

**NOTICE and UNIVERSAL DECLARATION of
"IN FORMA PAUPERIS"**

Of the Court System "Doing Business As" that "Also Trades As" (D&B) located at:

[To MISSOURI SUPREME COURT]
P.O. BOX 150 JEFFERSON CITY, MISSOURI REPUBLIC ZIP: 65102

And, the magistrate, whose name is:
[KAROLINE WALKER AND GARY D. WITT; ALL OTHER JUDGES]

NOTICE OF OBLIGATION TO DECLARE WHETHER THE COURT OF [TO 16TH JUDICIAL APPEALS; MISSOURI COMMISSION PUBLIC SERVICES], AS SUB-CONTRACTED LEGAL ENTITY OF STATE AND FEDERAL CORPORATIONS, I.E., THE CITY OF KANSAS CITY, THE COUNTY OF JACKSON AND THE STATE OF MISSOURI ARE PROCEEDING "IN FORMA PAUPERIS"

1. I, Sha'Mera-Elisa: of the Williams Family/Clan/Tribe, hereinafter, Claimant, so-journer upon the land in the region known as Jackson county, within the geographical bounds of the nation of Missouri, therefore, being a Missourian, an Missouri National, being first duly sworn, depose and say that in my years of study I have found the de facto government of the United States, as a corporation, to be bankrupt, and past bankrupted at least three (3) previous times, all sub-corporations within the United States and sub-sub-corporations to be, likewise, a, several, and many, bankrupted fictional corporations.

ADMIT – Unless proper rebuttal is presented showing evidence and proof to contradict Point 1, the facts stated stand as truth.

2. The U.S. Congress made public announcement to all governments, sub-corporations, entities public and private, that there was no money in 1933. All the gold held in the public was confiscated, then, later the silver was essentially removed from circulation.

ADMIT – Unless properly rebutted, all facts stated in Point 2 stand as truth.

3. Credit Instruments in the form of "silver certificates" and United States Notes have been phased out and are no longer available for practical use, being replaced by debt instruments in the form of Federal Reserve Notes, private script "play money."

ADMIT – Unless properly rebutted, all facts stated in Point 3 stand as truth.

4. The ability to "pay" any debts has been eliminated by the removal of real money.

ADMIT - Unless properly rebutted, all facts stated in Point 4 stand as truth.

5. All alleged "debts" are now "discharged" with either signature of a living woman or more debt instruments. In fact, each use of a debt instruments increases the national debt by the amount used to "discharge" the previous amount.

ADMIT - Unless properly rebutted, all facts stated in Point 5 stand as truth.

6. All licenses, fees, penalties, fines, assessments, etc., are debt debentures assessed to advance the national debt and fortify the fallacy of legal fiction propagated in fraud.

ADMIT - Unless properly rebutted, all facts stated in Point 6 stand as truth.

7. All court costs, filing fees, fines and other penalties are, in fact, debt instruments, never being substantiated with real money.

ADMIT - Unless properly rebutted, all facts stated in Point 7 stand as truth.

8. All court proceedings, except for legitimate criminal action where there is an injured living soul, are under Admiralty or Maritime jurisdiction, are either insurance or contract related, and are dischargeable with either a signature of a living soul, or another debt instrument comprised of a promise to pay, payment being an impossibility.

ADMIT - Unless properly rebutted, all facts stated in Point 8 stand as truth.

9. This court, [TO MISSOURI SUPREME COURT], is, in fact, proceeding in "*in forma pauperis*", with no substance in fact, or in law, no jurisdiction over any living soul where an actual (real) crime has not been committed. IF THERE IS NO CORPUS DELECTI (dead corpse) THERE IS NO CASE.

ADMIT - Unless properly rebutted, all facts stated in Point 9 stand as truth.

10. All "funds" of various debt instruments acquired by this court have been co-mingled in I.O.T.A. or I.O.L.T.A. and cannot stand up to the scrutiny of U.S. Treasury directives.

ADMIT - Unless properly rebutted, all facts stated in Point 10 stand as truth.

The Commission stated I failed to make a claim.

1. I claimed that Paying with FRN is an obligation.

2. Paying with FRN is an obligation because of HJR. 192, Remittance Transfer is acceptable with using my living signature on the coupon itself and returning Accepted For Value and using FRN is an obligation.

3. Since clause HJR 192, [REDACTED] is acceptable and using FRN is an obligation. My signature is signed on said bills, All Accounts Are Prepaid.

4. Although some might argue that it is legal tender to pay debts, it is not, it's colorable and we do not pay debts with silver or gold coins. It cannot mean a promissory note, certificates, notes or any other means to pay debts. As noted on my Affidavit that all debts are Prepaid. The government has the obligation to pay these debts being they are the ones printing the fiat paper.

I seek remedy to the injury that has been caused by these corporations by disconnecting an essential need that they treat as goods and products. The Utility Corporations never produced a contract stating that I contracted with them. It was done on false pretenses that we must provide our name, Social Security number and an address for services. Per my Affidavit Notice of Liability Regarding Trespass and Schedule Fee and Remedy for Trespassing against the Sovereign and continue to disconnect for a non-payment. They all are committing fraud.

"... Every tax payer is a cestui que trust having a sufficient interest in preventing abusc of the trust to be recognized in the field of this courts prerogative jurisdiction as a realtor in the proceeding to set a sovereign authority in motion by action..."

Affiant reserves the right to amend that justice may be served.
