Request No. 8506

Witness/Respondent: Bruce Robinson

Submitted by: John Robinett, John.Robinett@opc.mo.gov

REQUEST:

Mr. Robinson's Schedule BR-1 identifies approximately \$900,000 for meter replacements in Bolivar. What is the status of the replacement project discussed on page 7 of Mr. Robinson's direct testimony, which identifies Bolivar and Taney County as the likely next areas of implementation for AMI meters?

RESPONSE:

The Company has completed installation of AMI meters in Noel, Aurora, Marionville and Verona. We have begun to install AMI meters in the city of Bolivar and parts of Taney County.
