ORDER GRANTING EXPEDITED TREATMENT AS TO RESPONSE

Issue Date: May 29 2012

Effective Date: May 29, 2012

The Missouri Public Service Commission is granting the *Motion to Strike Pre-Filed Testimony and Reject Tariffs and Motion for Expedited Treatment* ("motion") as to the request for a response from Kansas City Power & Light Company ("KCP&L").

The Office of the Public Counsel and the Midwest Energy Consumers Group ("movants") filed the motion on May 25, 2012. Movants make several requests, including an expedited determination on certain pending tariff sheets, and a correspondingly expedited response to the motion from KCP&L. Therefore, the Commission will grant the motion as to an expedited response from KCP&L.

The Commission will also consider the filing of replies once the date for a response has passed.

THE COMMISSION ORDERS THAT:

1. The *Motion to Strike Pre-Filed Testimony and Reject Tariffs and Motion for Expedited Treatment* ("motion") is granted as to the request for an expedited response from Kansas City Power & Light Company ("KCP&L").

2. No later than June 15, 2012, KCP&L shall, and any other party may, file a response to the motion.

3. This order shall become effective immediately upon issuance.
