ORDER DIRECTING RESPONSES

Issue Date: October 9, 2019

Effective Date: October 9, 2019

On July 15, 2019, Summit Natural Gas of Missouri, Inc. ("Summit") filed for a waiver of rules requiring a depreciation study, database, and property unit catalog no less often than every 5 years. On September 16, 2019, Staff recommended granting a waiver of the depreciation study, but reject waiving the database and property unit catalog requirements. Staff also suggested conditions and recommended the waiver extend only for the time period up to July 1, 2029. On September 26, 2019, Summit stated it did not object to Staff's recommendation or conditions.

On October 3, 2019, the Office of the Public Counsel submitted their response to Staff's recommendation. Public Counsel objected to Staff's recommendation of a 10 year waiver, and recommends no more than a five year waiver.

The Commission will direct the Staff of the Commission and Summit to file a response to Public Counsel's recommendation to limit the waiver to no longer than five years.

THE COMMISSION ORDERS THAT:

1. No later than 3 p.m., October 11, 2019, the Staff of the Commission and Summit Natural Gas of Missouri, Inc. shall file responses to the Office of the Public Counsel's October 3, 2019, recommendation to limit the waiver to no longer than five years.
2. This order shall be effective when issued.
