

**STATE OF MISSOURI
PUBLIC SERVICE COMMISSION**

At a session of the Public Service Commission held at its office in Jefferson City on the 17th day of October, 2024.

In the Matter of Union Electric Company)
d/b/a Ameren Missouri's Request for) **File No. GT-2025-0082**
Approval of a Revised Tariff Filing to) Tracking No. JG-2025-0025
Adjust the Weather Normalization)
Adjustment Rider (WNAR))

**ORDER APPROVING WEATHER NORMALIZATION
ADJUSTMENT RIDER TARIFF SHEET**

Issue Date: October 17, 2024

Effective Date: November 1, 2024

On September 6, 2024, Union Electric Company d/b/a Ameren Missouri filed proposed revisions to its Weather Normalization Adjustment Rider (WNAR) tariff sheet in Tracking No. JG-2025-0025. Ameren Missouri projected that the changes to the WNAR tariff sheet will increase the residential customer's weather adjustment rate from 4.80 cents per Ccf¹ to 7.12 cents per Ccf. The tariff sheet bears a November 1, 2024 effective date.

The purpose of the WNAR tariff sheet is to adjust revenues, either positive or negative, for differences between actual heating degree days and normal heating degree days. The WNAR is the measurement of the gas usage response of the residential customers to weather. The tariff sheet filed is a mandatory filing pursuant to Ameren Missouri's WNAR tariff, as set forth in Ameren Missouri's last rate case, GR-2021-0241.

¹ Ccf is a volume measurement of natural gas and equals 100 cubic feet of natural gas.

On October 9, the Staff of the Commission (Staff) filed its Recommendation and attached Memorandum. Staff reviewed the tariff sheet and corresponding workpapers and weather data, and recommended approval of the tariff sheet. Staff explained that the WNAR adjustment would increase the average monthly bill, based on 100 Ccf of natural gas usage in a given billing month, of the typical residential customer by approximately \$2.32.

The Commission set a time for responses to the application or Staff's recommendation for approval.² No party responded, and no party opposed approval of the tariff sheet. The Commission has reviewed the tariff sheet and Staff's Recommendation and Memorandum and finds that the tariff sheet should be approved. To allow the tariff sheet to become effective on the date requested, the Commission finds it reasonable that this order shall go into effect in less than 30 days.

THE COMMISSION ORDERS THAT:

1. The following tariff sheet filed by Ameren Missouri on September 6, 2024, and assigned Tracking No. JG-2025-0025, is approved to become effective on November 1, 2024:

P.S.C. MO. No. 2

3rd Revised Sheet No. 32.2 Cancelling 2nd Revised Sheet No. 32.2

2. This order shall become effective on November 1, 2024.
3. This file shall be closed on November 2, 2024.

² 20 CSR 4240-2.080(13).
