Approval of an Interconnection Agreement Under the)
Telecommunications Act of 1996)

ORDER APPROVING INTERCONNECTION AGREEMENT

Issue Date: October 29, 2024

Effective Date: November 8, 2024

This order approves a negotiated Interconnection Agreement between the parties, which was filed by Southwestern Bell Telephone Company d/b/a AT&T Missouri.

On August 23, 2024, AT&T Missouri filed an application with the Commission for approval of a negotiated Interconnection Agreement (the Agreement) with ALLO Missouri, LLC under the provisions of the Federal Telecommunications Act of 1996 (the Act). AT&T Missouri is certified with the Commission as an incumbent local exchange carrier and a registered Interconnected Voice over Internet Protocol provider. ALLO Missouri, LLC is a certified with the Commission as a competitive local exchange and interexchange carrier and is a registered Interconnected Voice over Internet Protocol provider.

Although ALLO Missouri, LLC is a party to the Agreement, it did not join in the application. On September 10, 2024, the Commission issued an order making ALLO Missouri, LLC a party in this case and directed any party wishing to request a hearing to do so no later than September 25, 2024. No requests for hearing were filed.

Under Section 252(e) of the Act, any Interconnection Agreement adopted by negotiation must be submitted to the Commission for approval. The Commission may reject an Agreement if it finds that the Agreement is discriminatory or that it is not consistent with the public interest, convenience and necessity.

On October 9, 2024, the Staff of the Commission (Staff) filed a recommendation. Staff recommended that the Agreement be approved and noted that the Agreement meets the limited requirements of the Act in that it is not discriminatory toward nonparties and is not against the public interest.

The Commission has considered the application, the supporting documentation, and Staff's recommendation. Based upon that review, the Commission finds that the Agreement meets the requirements of the Act in that it does not discriminate against a nonparty carrier and implementation of the Agreement is not inconsistent with the public interest, convenience and necessity.

So that the parties may proceed under the terms of the Agreement without further delay, the Commission finds it reasonable to make this order effective in less than 30 days.

THE COMMISSION ORDERS THAT:

1. The Interconnection Agreement between AT&T Missouri and ALLO Missouri, LLC, filed on August 23, 2024, is approved.
2. This order shall become effective on November 8, 2024.
3. This file may be closed on November 9, 2024.
