ORDER DIRECTING RECOMMENDATION ON REVISED TARIFF

Issue Date: October 30, 2024

Effective Date: October 30, 2024

On October 30, 2024, the Commission issued an *Order Approving Infrastructure System Replacement Surcharge* (ISRS) in this matter, to be effective on November 9, 2024. The order granted Spire Missouri Inc. d/b/a Spire authority to change its ISRS, rejected Spire’s tariff sheet filed on July 19, 2024, and authorized Spire to file new tariff sheets to recover the revenues authorized by the order.

On October 30, 2024, Spire filed a revised tariff sheet, bearing an effective date of November 29, 2024, and assigned Tracking No. JG-2025-0059, purporting to comply with the terms of the Commission’s October 30th order. In addition, on October 30, 2024, Spire filed a *Motion for Expedited Treatment*, asking for approval of the revised tariff sheet to become effective on November 9, 2024, if practical.

Commission Rule 20 CSR 4240-2.080(13) allows parties ten days to respond to any pleading unless otherwise ordered by the Commission. In order to leave open the possibility of Commission approval of the revised tariff sheet by the November 9th date requested by Spire, the Commission will shorten the time for other parties to respond to the tariff sheet and motion for expedited treatment.

The Commission will ask its Staff to file an expedited recommendation advising the Commission as to whether the submitted revised tariff sheet complies with the Commission's October 30th order.

THE COMMISSION ORDERS THAT:

1. Staff shall file a recommendation regarding Spire's revised tariff sheet (Tracking No. JG-2025-0059) no later than November 4, 2024.
2. Any responses to Spire's revised tariff sheet (Tracking No. JG-2025-0059) and its motion for expedited treatment shall be filed no later than November 4, 2024.
3. This order shall be effective when issued.
