

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In the Matter of the Establishment of a Working )  
Case for the Review and Consideration of ) **File No. GW-2025-0083**  
Amending the Commission's Natural Gas Safety )  
Rules )

**AMEREN MISSOURI'S COMMENTS**  
**REGARDING PROPOSED RULE AMENDMENTS**

COMES NOW Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri"), by and through the undersigned counsel, and submits the following comments regarding the proposed rule amendments:

1. Ameren Missouri appreciates the opportunity to provide these comments and otherwise participate in this docket.

2. Regarding Staff's proposed amendment to 20 CSR 4240-40.030, Ameren Missouri generally supports clarification of information required in Public Awareness Notifications. However, Ameren Missouri requests that consideration be given to further clarify the content requirements that apply to each notification. For example, from the proposed revision, it could be taken that the (12)(K)4.A and (12)(K)4.E. information could be alternated month to month, verses both messages being required to be present on each of the nine messages. Ameren Missouri proposes the below language be considered to clarify that all listed content requirements apply to each notification:

(12)(K)(1)E. **Each** notification[s] required by subparagraph (12)(K)1.A. – (12)(K)1.C must at a minimum include **all** the information required by paragraphs (12)(K)4. and (12)(K)5.; and

(12)(K)(1)F. **Each** notification[s] required by subparagraph (12)(K)1.D. must at a minimum include **all** information required by subparagraphs (12)(K)(4).A. and (12)(K)4.E.

Respectfully submitted,

**/s/ Jennifer L. Hernandez**
