Dear Secretary Dippell,

Accompanying this letter for filing via the Commission's Electronic Filing and Information System ("EFIS") is substitute tariff sheet P.S.C. MO. No. 9 Fourth Revised Sheet No. 11.7, which provides the Company's Purchased Gas Adjustment ("PGA") rates for Spire Missouri East. The PGA rates reflect changes to the Current Cost of Gas, the Actual Cost Adjustment, and the Filing Adjustment Factor. This substitute tariff corrects the ACA rate included in tariff sheet 11.7 filed on October 31, 2024 in this docket. Thank you for bringing this matter to the attention of the appropriate Commission personnel.

Sincerely,

/s/ Antonio Arias
