File No. EO-2018-0211

**SECOND ORDER APPROVING REVISED TECHNICAL
RESOURCE MANUAL AND DEEMED SAVINGS TABLE AND
GRANTING MOTION FOR EXPEDITED TREATMENT**

Issue Date: December 11, 2019

Effective Date: January 1, 2020

On December 5, 2018, the Commission approved a stipulation and agreement in this case, which, among other things required Union Electric Company d/b/a Ameren Missouri (Ameren Missouri) to file updates to the Technical Resource Manual (TRM), and Deemed Savings Table, as needed. A TRM revision was previously approved by the Commission on February 27, 2019, in advance of the start of Ameren Missouri's Missouri Energy Efficiency Investment Act (MEEIA) 2019-2021 program year.¹ On November 15, 2019, Ameren Missouri filed its second request to revise the TRM and Deemed Savings Table. Ameren Missouri also requested expedited approval so that the changes become effective on January 1, 2020, the beginning of the next program year. The Commission ordered that a Staff recommendation and any other party responses be filed no later than December 6, 2019.

¹ The 2019 program year began March 1, 2019, with subsequent program years for this MEEIA cycle running from January 1 through December 31 each year.

In its recommendation filed on December 6, 2019, Staff explained that the proposed TRM revisions in Ameren Missouri's request were primarily based on: 1) incorporating the Evaluation, Measurement, and Verification (EM&V) results for Ameren Missouri's MEEIA Cycle 2 program year 2018; 2) updating calculations with incremental cost input updates for central air conditioners and air source heat pumps, and 3) adding new multifamily low income measure options. Staff reviewed Ameren Missouri's request and found them to be in compliance with the approved agreement. Staff recommended the Commission approve the request. No other responses to Ameren Missouri's request was filed.

The Commission has reviewed the filings and determines that the revised TRM and Deemed Savings Table (Appendix F and Appendix I) are in compliance with the Commission's December 5, 2018 order and will approve them. Additionally, the Commission finds that the approval should become effective with the beginning of the program year and will make this order effective on January 1, 2020.

THE COMMISSION ORDERS THAT:

1. The revised Technical Resource Manual and Deemed Savings Table (Appendix F and Appendix I) filed by Union Electric Company d/b/a Ameren Missouri on November 15, 2019, are approved.
2. This order is effective on January 1, 2020.
3. This file may close on January 2, 2020.
