ORDER DIRECTING RESPONSE

Issue Date: December 18, 2019

Effective Date: December 18, 2019

On October 14, 2019, Spire Missouri, Inc. d/b/a Spire (“Spire”) applied for a certificate of convenience and necessity (“CCN”) to serve a poultry operation in Newton County, Missouri. In the Wherefore clause of its application, Spire requested a variance from the filing requirements of Commission rule 20 CSR 4240-3.205(1)(A), but did not specify from which requirement of that rule it requests a variance.

On December 13, 2019, Staff filed its Report and Recommendation, and stated that Spire has provided all necessary documentation to satisfy the filing requirements of Commission rule 20 CSR 4240-3.205(1)(A), and did not offer an opinion on whether the Commission should grant a variance.

Does Spire wish to withdraw its requested waiver of the filing requirements of Commission rule 20 CSR 4240-3.205(1)(A)? If not, Spire must specify from which requirement of the rule it seeks a variance.

The Commission will direct Spire to respond to the above question.

THE COMMISSION ORDERS THAT:

1. No later than December 20, 2019, Spire Missouri, Inc. d/b/a Spire shall file a response indicating whether it withdraws its request for waiver of the filing requirements of Commission rule 20 CSR 4240-3.205(1)(A).
2. This order shall be effective when issued.
