RE: Liberty Utilities (Midstates Natural Gas) Corp d/b/a Liberty (“Liberty” or the
“Company”) Case No. GR-2025-0138

Dear Judge Dippell:

I am providing herewith to the Missouri Public Service Commission for filing, in electronic form, the 32nd Revised Sheet No. 44 for all areas of Missouri, which replaces the 31st Revised Sheet No. 44.

The revised tariff sheet represents Liberty’s Winter Purchased Gas Adjustment (“PGA”) filing and reflect changes in the PGA factors and the Actual Cost Adjustment (“ACA”) factors. The Company’s PGA tariff Sheet No. 41 provides that “[a]ny PGA filing shall not be approved unless it has first been on file with the Commission for a period of ten (10) business days..” The enclosed tariff sheets accordingly bear an issue date of November, 2024 and a proposed effective date of December 1, 2024, which is longer than ten business days but less than thirty days.

As a result of this filing, for the Liberty West Area (WEMO), the effect of these changes will decrease the firm PGA rate from the current \$0.86923 per Ccf (100 cubic feet) to \$0.40152 per Ccf. For the Kirksville area, the effect of these changes will decrease the firm PGA rate from the current \$0.54489 per Ccf to \$0.39705. For the Northeast Area (NEMO), the effect of these changes will decrease the firm PGA rate from the current \$0.54904 per Ccf to \$0.07016 per Ccf. For the Southeast Area (SEMO), the effect of these changes will decrease the firm PGA rate from the current \$0.48712 per Ccf to \$0.36132 per Ccf.

Please bring this PGA/ACA filing to the attention of the Commissioners and the appropriate Commission personnel, and please contact me with any questions.

Sincerely,

Germaine Grubbs
