

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of an Agreement Between) **Case No. EO-2021-0032**
Evergy, Inc., and Elliott Management, Inc.)

MOTION FOR EXTENSION OF TIME

COMES NOW the Staff of the Missouri Public Service Commission and for its *Motion for Extension of Time*, hereby states as follows:

1. On August 6, 2020, the Commission’s Staff filed a motion asking the Commission to open an investigation into the agreement between Evergy, Inc. and Elliott Management Corporation and related activities, including the Sustainability Transformation Plan announced on August 5, 2020.

2. On August 12, 2020, the Commission granted Staff’s motion, stating “The Commission’s Staff shall undertake an investigation of the agreement between Evergy, Inc. and Elliott Management Corporation and related activities, including the Sustainability Transformation Plan announced on August 5, 2020.”

3. The Commission further directed Staff to report its findings, stating “Staff shall file a final report regarding its investigation no later than November 13, 2020.”

4. Staff now moves the Commission to extend the due date for its report up to and including January 29, 2021, because Staff anticipates that more detailed and highly relevant information will become available between mid-November and December 2020 from Evergy regarding its plans for additional capital spending and operating and maintenance expense reductions, and that the Commission would benefit from the incorporation of this information in Staff’s report.

WHEREFORE, Staff prays that the Commission will grant it an extension of time within which to file its report, up to and including January 29, 2021, and grant such other and further relief as is just in the circumstances.

Respectfully submitted,

/s/ Kevin A. Thompson
