## ORDER GRANTING UNITED FOR MISSOURI'S APPLICATION TO INTERVENE

Issue Date: September 8, 2015

Effective Date: September 8, 2015

The Commission opened this file to facilitate consideration of special contemporary issues by Kansas City Power & Light Company. On August 24, 2015, United for Missouri, Inc., a non-profit mutual benefit corporation, applied to intervene. More than ten days have passed since United for Missouri applied to intervene and no party has objected to that application.

The Commission finds that United for Missouri's interest in this case is different from that of the general public, and may be adversely affected by a final order arising from this case. Further, the Commission finds that allowing United for Missouri to intervene will serve the public interest. Therefore, in accordance with Commission Rule 4 CSR 240-2.075(3), the Commission will grant the application to intervene.

### THE COMMISSION ORDERS THAT:

1. The Application to Intervene of the United for Missouri, Inc. is granted.
