**ORDER DIRECTING SUPPLEMENTAL INFORMATION TO
APPLICATION TO INTERVENE**

Issue Date: November 22, 2024

Effective Date: November 22, 2024

On November 6, 2024,¹ The Empire District Electric Company d/b/a Liberty filed tariff sheets designed to increase its gross annual electric revenues. The Commission issued notice and set a deadline for applications to intervene.

On November 15, the Empire District Retired Members & Spouses Association, LLC (EDRA) timely filed an application to intervene.

The Commission notes that the intervention rule was recently updated to include a requirement that an application to intervene, when not taking a position in a case, detail why the intervenor is not taking a position. Specifically, the rule directs the intervenor to either explain why a position could not be asserted and when it can be, or state that the intervenor intends to only provide or receive information and will not take a position.² Therefore, the Commission will direct EDRA to file such a pleading.

¹ All dates refer to 2024 unless otherwise indicated.

² 20 CSR 4240-2.075(2)(F).

THE COMMISSION ORDERS THAT:

1. No later than December 5, the Empire District Retired Members & Spouses Association, LLC shall file a pleading explaining why a position could not be asserted based upon the initial filings and when such a position can be asserted or that EDRA intends to only provide or receive information and will not take a position.
2. This order shall be effective when issued.
