## ORDER GRANTING APPLICATIONS TO INTERVENE

Issue Date: November 25, 2024

Effective Date: November 25, 2024

On October 25, 2024, Evergy Missouri West, Inc. d/b/a Evergy Missouri West filed an application requesting certificates of convenience and necessity authorizing it to construct, install, own, operate, manage, maintain, and control two solar generating facilities.

The Commission directed notice and set a deadline of November 13, 2024, for applications to intervene. Renew Missouri Advocates d/b/a Renew Missouri, the Midwest Energy Consumers Group (MECG), and Sierra Club all filed timely applications to intervene. More than ten days have passed since the applications were filed and no one has responded. After considering the unopposed applications to intervene, the Commission finds that Renew Missouri, MECG, and Sierra Club have interests that are different from that of the general public and allowing them to intervene will serve the public interest. Therefore, in accordance with Commission Rule 20 CSR 4240-2.075(3), the Commission will grant the applications to intervene.

**THE COMMISSION ORDERS THAT:**

1. The applications to intervene of Renew Missouri Advocates d/b/a Renew Missouri, the Midwest Energy Consumers Group (MECG), and Sierra Club are granted.
2. This order is effective when issued.
