Regarding OPC-DR 2020, were the damaged wind turbines covered by insurance? If yes, please provide a breakdown of coverage and terms. If no, why not?

Wind Turbine incidents for High Prairie units G-08, B-11 and C-12 have been reported as claims under Ameren's Property insurance program. Each event has a \$2,000,000 deductible. A coverage determination has not been made by the claims adjuster yet as root cause analyses are still pending. Also, warranty claims with the Manufacturer are still under review. Insurance would be secondary if we are unable to recover under contractual obligations from the Manufacturer.
