Re: Case No. ER-2004-0034

Dear Judge Roberts:

During proceedings yesterday morning, Judge Jones directed the parties in the referenced matter to review the written testimony each had prefiled, and they redact portions that related to issues involving the St. Joseph Light and Power division of Aquila's operations. He directed that the redacted version of the testimony then be filed by 4:00 this afternoon.

The City of Kansas City prefiled the written testimony of only one witness, Mr. Robert Jackson (pre-marked by the reporter as Exhibit 79). I write to advise that after a review of his testimony I can certify from the perspective of the City of Kansas City that none of the questions and answers contained therein involve the operations of the St. Joseph Light and Power division of Aquila. His testimony can and should be read at this time as pertaining only to Aquila's MPS division.

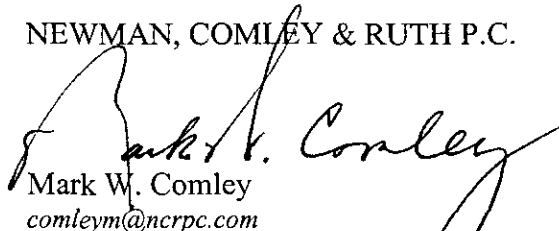

Since no redaction is required, and in a spirit of paper work reduction, I will not be taking the extra step of refiled his testimony. I trust that this procedure will suffice to comply with the Commission's order.

Thank you very much.

Very truly yours,

NEWMAN, COMLEY & RUTH P.C.
